Permits the district or school employer to approve one or more additional subsequent semester-long periods of teaching for the permit holder.

Permits ODE, on a case-by-case basis, to extend the permit's duration to enable the permit holder to complete the educator preparation program in which the permit holder is enrolled.

Subjects permit holders to criminal records checks, RAPBACK enrollment, and disciplinary action in the same manner as other educators.

Repeals prohibitions against (1) requiring students preparing to be educational assistants to hold an educational aide permit or paraprofessional license, and (2) those students receiving compensation for working in a school district.

Fiscal effect: May increase ODE administrative costs paid from the State Board of Education Licensure Fund (Fund 4L20), to be offset more or less by additional permit fee revenues.

EDUCD96 Ohio teacher residency program

R.C. 3319.223, 3319.26

No provision.

Makes the following changes to the Ohio Teacher Residency (OTR) Program, which is an entry-level program for teachers that must be completed in order to qualify for a professional educator license:

(1) No provision.

(1) Permits the required mentoring under OTR Program to be conducted online or in person.

(2) No provision.

(2) Requires ODE to provide participants and mentors with no-cost online access to professional development resources and sample videos of Ohio classroom lessons submitted for the resident educator summative assessment (RESA).

(3) No provision.

(3) Requires ODE to provide each participant who does not receive a passing score on the RESA with a no-cost opportunity to meet online with an instructional coach to discuss the participant's results, improvement strategies, and professional development.

(4) No provision.

(4) Permits participants who have not taken the RESA to meet with instructional coaches if the participant's district or school pays the costs associated with the meetings.

(5) No provision.

(5) Prohibits the State Board of Education from limiting the number of attempts participants have to successfully complete the RESA.

(6) No provision.

(6) Permits individuals to submit the RESA between the first Tuesday of October and the first Friday of April of the individual's second year of the program.

(7) No provision.

(7) Requires the results of each RESA to be returned within 30 days unless a new assessor is contracted, in which case results must be returned within 45 days.

Executive

In House Finance

No provision.

Reduces the alternative resident educator license from four to two years and, accordingly, reduces from four to two the number of years that an individual must teach under that license before receiving a professional educator license (these changes comport with the reduced duration of the resident educator license and OTR program made by H.B. 442 of the 133rd General Assembly).

Fiscal effect: Increases ODE's state non-GRF costs for the contract to operate the RESA by requiring assessment results to be delivered more quickly than current practice and by providing instructional coaches to consult with entry-level teachers (i.e., resident educators) that do not pass the RESA. Costs to train RESA assessors for this new service will be about \$165,000 with additional annual costs of up to \$7,500 for consultation services. Costs to provide quicker assessment results will depend on contract negotiations with the test vendor. ODE may also incur costs to provide resident educators and mentors with sample videos of classroom lessons submitted for the RESA. District and school costs may increase to support online mentorship, which would likely be provided by mentors in other districts or schools, depending on payment arrangements for out-of-district mentors.

EDUCD97 Professional development leave

No provision.

R.C. 3319.225, 3314.03, 3319.27, and 3326.11

Requires each school district, community school, and STEM school to provide one day of professional development leave every school year for each classroom teacher to observe a veteran classroom teacher.

Fiscal effect: May increase substitute teacher costs for districts and schools. Costs could also be limited if other professional development activities are reduced in favor of observation days.

Permits an applicant for an initial school counselor license to count the 12 hours of training toward meeting the 600-hour internship requirement for the license.

No provision.

Requires an individual who holds a school counselor license to complete at least four hours of training about the building and construction trades at a construction site or trade training facility to renew that license. Permits the four hours of training to count toward meeting continuing education requirements for licensure renewal.

No provision.

Defines an "eligible teacher" as a teacher that meets all of the following conditions: (1) is an Ohio resident; (2) holds a valid educator license; (3) is employed full-time for the first time as a classroom teacher; (4) has received a bachelor's degree awarded by any public or private institution of higher education in Ohio; (5) has outstanding student loans for that bachelor's degree; and (6) has made timely payments in accordance with the terms of the individual's repayment schedule for those outstanding loans.

No provision.

Requires the amount for each award to be the lesser of (1) \$40,000 or (2) the balance of any outstanding loans the teacher incurred while attaining a bachelor's degree. Permits a teacher to receive only one award under the program and requires ODE to make a payment directly to the teacher's lender.

No provision.

Fiscal effect: The bill transfers \$25.0 million cash in FY 2024 from the GRF to the Teacher Loan Repayment Fund (Fund 5W00) to support the program (see OBMCD37). This funding supports loan repayments for at least 625 teachers. However, the first loan repayments likely will not be paid until FY 2029.

EDUCD86 Third grade reading guarantee; third grade English language arts assessment

R.C. 3313.608, 3301.07, 3301.0711, 3301.163, 3302.151, Section 733.10

No provision.

Eliminates student retention under the law known as the third grade reading guarantee beginning with the 2023-2024 school year (current law requires public schools and chartered nonpublic schools accepting EdChoice or Cleveland scholarships to provide additional supports in reading for a student in grades K-3 determined to be reading below grade level to help the student meet the promotion score by the end of the third grade. In general, under current law, students who do not meet the promotion score are retained in the third grade and receive intensive reading intervention services). Requires districts and schools to continue offering intervention and remediation services to students reading below grade level.

No provision.

Requires school districts and chartered nonpublic schools accepting EdChoice or Cleveland scholarships to provide reading intervention services and reading improvement and monitoring plans to students in grades 4 or 5 reading below grade level or students who have been retained in any of grades K-3 and have received remediation in reading for two school years but continue to read below grade level. Requires school districts to notify parents or guardians of students receiving such services.

No provision.

Eliminates one annual administration of the third-grade English language arts assessment.

No provision.

Requires school districts and schools that retained students for the 2023-2024 school year based solely on that student's score on the third grade achievement assessment in reading in the 2022-2023 school year to promote those students to the fourth grade.

Executive

In House Finance

Fiscal effect: School districts and schools may incur new costs, including for additional teachers, to implement the reading intervention services for the additional grades required under the bill. The elimination of one annual administration of the third-grade English language arts (ELA) assessment (effectively the fall ELA test, as ODE reports the spring test is federally required) decreases GRF expenditures by about \$2.7 million annually.

EDUCD24 Literacy instructional materials list

R.C. 3313.6028, 3301.0714

Requires ODE to compile a list of high-quality core curriculum and instructional materials in English language arts and a list of evidence-based reading intervention programs that are aligned with the science of reading and strategies for effective literacy techniques, and requires each school district, community school, and STEM school to use these, beginning not later than the 2024-2025 school year.

Prohibits a district or school from using the "three-cueing approach" to teach a student to read unless that district or school applies for and receives a waiver from ODE, unless the student has an individualized education program that explicitly indicates use of the three-cueing approach or a reading improvement and monitoring plan.

Prior to approval of a waiver, requires ODE to consider that district or school's grade on the state report card, including on the early literacy component.

Fiscal effect: The bill earmarks \$64.0 million in FY 2024 from GRF ALI 200566, Literacy Improvement, to subsidize district and school costs to purchase ODE-approved curriculum and materials. Increases ODE administrative workload to create a list of core curriculum and instructional material in English language arts, and reading intervention programs. No provision.

R.C. 3313.7117, 3314.03, 3326.11, 3328.24, Section 733.20

Requires all public and chartered nonpublic schools to create an individualized seizure action plan for each student with an active seizure disorder diagnosis (In general, the plans provide parental consent for a school nurse or other authorized staff to administer medications prescribed for a seizure disorder and information on the student’s medication, including instructions for administration).

No provision.

Requires districts and schools to provide training every two years to ensure that at least one employee other than a school nurse is trained on the implementation of seizure action plans.

No provision.

Provides qualified immunity in a civil action for claims arising from performance under these provisions unless the performance constitutes willful or wanton misconduct.

Fiscal effect: School districts and other public schools may incur minimal costs to create individualized seizure action plans and carry out related administrative tasks. The bill’s required training for school staff on seizure disorders and implementing seizure action plans can be provided at no cost through nonprofit entities. According to the Centers for Disease Control (CDC), the latest estimates, from 2015, indicate that 0.6% of children aged 0-17 have active epilepsy (including seizure disorder), which translates to about six in 1,000 students.

Creates DCY on July 1, 2023, to serve as the state's primary children's services agency and establishes the position of DCY Director.

Requires DCY to facilitate and coordinate the delivery of children's services in Ohio.

Addresses the transfer of duties to DCY relating to children's services, including by doing the following:

(1) Requiring specified Directors (DCY, ODJFS, ODE, ODH, DODD, ODM, OhioMHAS, and DEV), or their designees, to identify and develop a plan to transfer children's services duties, functions, programs, and staff to DCY by January 1, 2025.

(2) Transferring to the new DCY 90 days after the bill's effective date responsibilities currently charged to ODJFS regarding the Ohio Family and Children First Cabinet Council, the Children's Trust Fund Board, and the Ohio Commission on Fatherhood.

Requires the OBM Director to make budget and accounting changes to implement the transfer of duties, functions, and programs to DCY, including renaming, transferring, creating, and consolidating funds. Allows the OBM Director to also cancel or establish encumbrances and transfer appropriations between impacted agencies as necessary. Appropriates any encumbrances.

Fiscal effect: There will be administrative costs to develop a plan to facilitate this transfer. There will also be costs to establish the office (e.g. office space, supplies, etc.). Staff will be transferred from other impacted agencies, so associated personnel costs will instead be reflected in DCY's budget.

Requires metrics and educator preparation programs to ensure that all educators complete coursework in evidence-based strategies for effective literacy instruction.

No provision.

No provision.

No provision.

R.C. 3333.048

Replaces the Executive provision with one that requires the Chancellor, in consultation with the Superintendent of Public Instruction, to establish metrics to ensure that each educator training program includes evidence-based strategies for effective literacy instruction aligned to the science of reading, including phonics, phonemic awareness, fluency, comprehension, and vocabulary development, and is part of a structured literacy program.

Requires the Chancellor to (1) develop an audit process that clearly documents the degree to which each institution of higher education that offers educator training programs is in alignment with the literacy requirements described above and (2) annually create a summary of literacy instruction strategies and practices in place for all educator preparation programs based on the program audits.

Requires the Chancellor to revoke approval for programs that are found to be not in alignment and do not address the findings of the audit within one year. Requires all programs to be reviewed every four years after the first audit to ensure continued alignment.

Requires the Chancellor, in conjunction with ODE, to do all of the following: (1) complete and publicly release summaries of these audits by March 31 annually; (2) identify approved vendors who can provide professional development experiences that are consistent with the science of reading to educators who are responsible for teaching reading, including faculty in educator preparation programs; and (3) develop a public dashboard that reports the first-time passage rates of students, by institution, on the Foundations of Reading Licensure test.

Executive

In House Finance

Fiscal effect: Under continuing law, ODHE and ODE are required to establish metrics and educator preparation programs, and align them with any new requirements, to prepare educators and other school personnel and the higher education institutions that are engaged in their preparation. The bill provides funding for literacy professional development and training for educators in two ALIs. It appropriates \$115.8 million in FY 2024 and \$58.3 million in FY 2025 from GRF ALI 200566, Literacy Improvement (see EDUCD13) and \$1.0 in each fiscal year from GRF ALI 235427, Adult Literacy Initiatives (see BORCD67).

Fiscal effect: Same as the Executive, but appears to increase the administrative responsibilities of ODHE. Also reduces appropriations from ALI 200566 to \$74.4 million in FY 2024 and \$36.8 million in FY 2025 (see EDUCD13).
