JFSCD23 Ohio Automated Service Coordination Information System

R.C. 121.376, 121.37

Requires the Ohio Family and Children First Cabinet Council state office to establish and maintain the Ohio Automated Service Coordination Information System (OASCIS).

Requires county family and children first councils (FCFCs) to enter all information in OASCIS regarding funding sources and families seeking services from the FCFC, and specifies failure to do so may result in the loss of state funding.

Establishes that all information in OASCIS is confidential, and requires FCFCs to establish administrative penalties for inappropriate access, disclosure, and use of information in OASCIS.

Limits access to OASCIS to personnel with training in confidentiality requirements and prohibits researchers from directly accessing it.

Fiscal effect: OASCIS has already been established and is currently in use. However, this would outline what information is required to be entered. If an FCFC fails to enter requirement information, the FCFC could lose state funds.

JFSCD33 Definition of abused child

R.C. 2151.031

Modifies the definition of "abused child" under the juvenile court law to include a child who is the victim of disseminating, obtaining, or displaying "materials" or "performances" that are "harmful to juveniles," as defined under the criminal law governing sex offenses, where the activity would constitute a criminal sex offense, except that the court need not find that any person has been convicted of the offense in order to find that the child is an abused child.

Includes as an abused child one who has had harm inflicted by a caretaker, where current law, unchanged by the bill, refers to harm inflicted by a parent, guardian, custodian, person having custody or control, or person in loco parentis.

Fiscal effect: Expanding the definition could increase the number of screenings and investigations the PCSAs are required to perform.

Same as the Executive.

Repeals language in the power of attorney form and caretaker authorization affidavit form regarding grandparents caring for their grandchildren, which language provides that the power of attorney or affidavit does not allow a CSEA to redirect child support payments to the grandparent.

Same as the Executive.

Adds redirection to a list of notices under existing law that must be included in each support order or modification.

Same as the Executive.

Repeals a provision of law that generally provides that when a support order is issued or modified, the court or CSEA may issue an order requiring payment to a third person that is agreed upon by the parents.

Same as the Executive.

Delays the effective date of these provisions for six months during which time ODJFS may take action to implement those provisions.

Same as the Executive.

Fiscal effect: Some child support enforcement agencies (CSEAs) can currently redirect orders to caretakers. The provision would allow the remaining counties to also redirect these payments. This would increase the casework for these counties and possibly for counties that allow redirection now if they do so only for certain cases. There would be increased administrative costs, the amount of which would depend on the number of cases and the scope of casework involved. There could be a large initial increase in cases.
