PENCD2 Additional PERS service credit purchase

R.C. 145.201

Allows a Public Employees Retirement System (PERS) member appointed by the Speaker of the House of Representatives or Senate President to serve full-time as a member of a board, commission, or other public body to purchase additional PERS service credit for the appointment period.

Fiscal effect: None; this provision does not change employer contributions to PERS. PERS members that purchase service credit are required to pay PERS an amount equal to 100% of the additional actuarial liability arising from the purchased credit. (It appears that only the members of the Transportation Review Advisory Council appointed by the Speaker and the Senate President could be eligible to purchase additional PERS service credit under this provision)
