BORCD25 Literacy teacher preparation programs		
R.C. 3333.048	R.C. 3333.048	R.C. 3333.048
Requires metrics and educator preparation programs to ensure that all educators complete coursework in evidence-based strategies for effective literacy instruction.	Replaces the Executive provision with one that requires the Chancellor, in consultation with the Superintendent of Public Instruction, to establish metrics to ensure that each educator training program includes evidence-based strategies for effective literacy instruction aligned to the science of reading, including phonics, phonemic awareness, fluency, comprehension, and vocabulary development, and is part of a structured literacy program.	Same as the House.
No provision.	Requires the Chancellor to (1) develop an audit process that clearly documents the degree to which each institution of higher education that offers educator training programs is in alignment with the literacy requirements described above and (2) annually create a summary of literacy instruction strategies and practices in place for all educator preparation programs based on the program audits.	Same as the House.
No provision.	Requires the Chancellor to revoke approval for programs that are found to be not in alignment and do not address the findings of the audit within one year. Requires all programs to be reviewed every four years after the first audit to ensure continued alignment.	Same as the House.
No provision.	Requires the Chancellor, in conjunction with ODE, to do all of the following: (1) complete and publicly release summaries of these audits by March 31 annually; (2) identify approved vendors who can provide professional development experiences that are consistent with the science of reading to educators who are responsible for teaching reading, including faculty in educator preparation programs; and (3) develop a public dashboard that reports the first-time passage rates of students, by institution, on the Foundations of Reading Licensure test.	Same as the House.

Executive	As Passed By House	As Passed By Senate
<p>Fiscal effect: Under continuing law, ODHE and ODE are required to establish metrics and educator preparation programs, and align them with any new requirements, to prepare educators and other school personnel and the higher education institutions that are engaged in their preparation. The bill provides funding for literacy professional development and training for educators in two ALIs. It appropriates \$115.8 million in FY 2024 and \$58.3 million in FY 2025 from GRF ALI 200566, Literacy Improvement (see EDUCD13) and \$1.0 in each fiscal year from GRF ALI 235427, Adult Literacy Initiatives (see BORCD67).</p>	<p>Fiscal effect: Same as the Executive, but appears to increase the administrative responsibilities of ODHE. The bill provides \$75,000 in each fiscal year from GRF ALI 235585, Educator Preparation Programs, for ODHE administrative requirements under this section (see BORCD107). It also reduces appropriations from ALI 200566 to \$74.4 million in FY 2024 and \$36.8 million in FY 2025 (see EDUCD13).</p>	<p>Fiscal effect: Same as the House, but eliminates GRF ALI 235585, Educator Preparation Programs (see BORCD107). <p>Requires the curriculum to provide knowledge-based civic instruction to help high school and undergraduate students to learn about local and state governments. Executive	As Passed By House	As Passed By Senate
Increases, from an expected family contribution (EFC) of \$2,190 or less to \$10,000 or less, the income eligibility threshold for an OCOG award, beginning with students who first enroll in the 2023-2024 academic year and each academic year thereafter.	Same as the Executive.	Replaces the Executive provision with one that increases, from an EFC of \$2,190 or less to an EFC of \$3,750 or less, the income eligibility threshold for all students eligible for an OCOG award.
Clarifies, for students who first enroll prior to the 2023-2024 academic, that both the EFC eligibility criteria of \$2,190 or less and the method for calculating OCOG awards remains as under current law.	Same as the Executive.	No provision.
Permits the use of a measure of student financial need established under federal law other than EFC to determine student eligibility.	Same as the Executive.	No provision.
Replaces the prohibition against an OCOG award exceeding the state cost of attendance with one that prohibits it from exceeding an individual student's cost of attendance, subject to exceptions established under continuing law.	Same as the Executive.	No provision.
Requires an OCOG award for a student who first enrolls in the 2023-2024 academic year annually to be: (1) \$4,000 per student at a state university main campus; (2) \$5,000 per student at a private nonprofit college or university; and (3) \$1,600 per student at a private for-profit career college.	Same as the Executive.	No provision.
Requires an OCOG award amount for a student who first enrolls in the 2024-2025 academic year or any academic year thereafter annually to be: (1) \$6,000 per student at a state university main campus; (2) \$6,000 per student at a private nonprofit college or university; and (3) \$1,600 per student at a private for-profit career college.	Same as the Executive.	No provision.
Prohibits an eligible institution enrolling students who receive OCOG awards from changing its scholarship or financial aid programs with the goal or net effect of shifting the cost burden of those programs to OCOG.	Same as the Executive.	No provision.

Executive	As Passed By House	As Passed By Senate
<p>Requires each university, college, or career college that enrolls students who receive OCOG awards to provide at least the same level of needs-based financial aid to its students as it provided in the prior academic year on either an aggregate or per student basis. Permits the Chancellor, in response to exceptional circumstances, to grant a temporary waiver from this requirement.</p> <p>Fiscal effect: Students who enroll for the first time in the 2023-2024 academic year or thereafter at a community college or university regional campus will no longer be able to receive an OCOG award. However, these students generally do not receive OCOG currently under the program's "Pell-first" policy. Increasing the EFC eligibility threshold will likely increase the number of students receiving an OCOG award. Students may also be able to use their awards for a broader mix of uses than only instructional and general fees under the current prohibition against an OCOG award exceeding the "state cost of attendance." The bill appropriates \$216.2 million in FY 2024 and \$346.1 million in FY 2025 from GRF ALI 235563, Ohio College Opportunity Grant, to fund the grants (see BORCD73).</p>	<p>Same as the Executive.</p> <p>Fiscal effect: Same as the Executive, but reduces the appropriations from ALI 235563 to \$140.0 million in FY 2024 and \$175.0 million in FY 2025. If the Chancellor determines those appropriations are inadequate to provide grants to all eligible students using the OCOG award amounts specified in permanent law, temporary law requires the Chancellor to, instead, determine award amounts for students attending eligible institutions in each fiscal year based on the amounts appropriated from GRF ALI 235563, Ohio College Opportunity Grant (see BORCD73).</p>	<p>No provision.</p> <p>Fiscal effect: With the exception of the EFC increase, the bill generally maintains current law for OCOG. Therefore, it restores OCOG eligibility to students at a community college or university regional campus, although these students generally do not receive OCOG currently under the program's "Pell-first" policy. More students will be eligible for OCOG than under current law with the increase to the EFC to \$3,750 or less, but not as many people as the Executive-proposed \$10,000 EFC or less for students first enrolling in the 2023-2024 academic year. The bill appropriates \$200.0 million in each fiscal year from ALI 235563 to support OCOG (see BORCD73).</p>
<p>BORCD34 Second Chance Grant Program</p> <p>R.C. 3333.127</p> <p>Increases, from \$2,000 to \$3,000, the maximum grant amount awarded under the Second Chance Grant Program.</p> <p>Increases, from one-time to each academic year until the student completes a degree, the frequency with which the Chancellor may award a grant, if the Chancellor, in consultation with the qualifying institution, determines that subsequent awards beyond the first are an essential element of student success and degree completion.</p>	<p>R.C. 3333.127</p> <p>Same as the Executive.</p> <p>Same as the Executive.</p>	<p>R.C. 3333.127</p> <p>Same as Executive.</p> <p>No provision.</p>

Expands eligibility for the program to students who enroll in a qualifying institution within 10, rather than five, years of disenrollment.

Same as the Executive.

No provision.

Designates eight months as the minimum period a student must be disenrolled to be eligible for an award under the program for institutions that do not operate on a semester calendar.

Same as the Executive.

Same as Executive.

Fiscal effect: Expanding the disenrollment period and increasing the award amounts, as well as the frequency of receiving those awards, may incentivize more individuals to participate in the program. The bill appropriates \$2.0 million in each fiscal year from Fund 5YD0 ALI 235494, Second Chance Grant Program, to fund the grants (see BORCD89). The appropriations are supported through a cash transfer of up to \$4.0 million from the GRF to Fund 5YD0 in FY 2024 (see OBMCD37).

Fiscal effect: Same as the Executive.

Fiscal effect: Same as the Executive, except does not expand the disenrollment period or increase the frequency of receiving awards, potentially impacting the participation incentives.

No provision.

Requires, in calculating campus' degree counts, the Chancellor to use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the most recent three-year period agreed to by the Inter-University Council (IUC) and the Chancellor. Limits, if a student is awarded an associate degree and later is awarded a baccalaureate degree, the amount funded for the baccalaureate degree to either (1) the difference in cost between the cost of the baccalaureate degree and the cost of the previous associate degree, or, (2) if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded. Specifies that in these instances the associate degree granting institution receive only the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded. Requires, if a student earns more than one degree at the same institution at the same degree level in the same fiscal year, that funding for the highest cost degree be prorated among institutions based on where the credits were earned and additional degrees be funded at 25% of the degree cost.

Same as the Executive.

Same as the Executive.

Requires that eligible associate and baccalaureate degrees counted in degree attainment be weighted by a statewide "at-risk" degree completion weight, calculated based on the at-risk factors of the individual student, determined by calculating the difference between the percentage of students with each risk factor who earned a degree and the percentage of non-at-risk students who earned a degree. Defines "at-risk" for a student based on academic under preparation, age, minority status, financial status, or first generation post-secondary status based on neither parent completing any education beyond high school.
