### Overview

#### Agency overview

The Adjutant General (ADJ) serves as the military chief of staff to the commander in chief (Governor) and is responsible for the command of the Ohio Army National Guard, Ohio Air National Guard, Ohio Military Reserve, and Ohio Naval Militia. The Governor appoints the Adjutant General to serve during the Governor's term in office. The Department is responsible for the following:

- Providing trained and equipped reserve forces (National Guard) for joint military operations with the active military force (U.S. Army and Air Force);
- Participating in planning and coordinating with state officials for civil defense and disaster preparedness;
- Mobilizing to assist state and local responders during periods of disaster, disturbance, or other emergency situations;
- Mobilizing as a member of the Emergency Management Assistance Compact (EMAC), a national interstate mutual aid agreement that enables states to share resources during times of disaster; and
- Providing operational support for the day-to-day operation and management of the readiness, fiscal, personnel, equipment, and real property resources of the Department.

## **Appropriation summary**

The federal government and the state fund the Ohio Army and Air National Guard jointly. The majority of the federal funding is disbursed directly by the U.S. Department of Defense and not subject to the General Assembly's appropriation process. The U.S. Department of Defense (DOD) generally pays for all of the operating expenses associated with traditional Guard members and supporting full-time staff, with the exception of state employees paid using state funds appropriated through the GRF and revenue-generating activities (property rentals, leases, sales, and lodging accommodations). The portion of the funding that is subject to the General Assembly's appropriation process is the focus of this Greenbook.

In total, the budget provides \$60.7 million in FY 2026 and \$62.4 million in FY 2027 to the Adjutant General.

# Analysis of FY 2026-FY 2027 budget

## Introduction

This section provides an analysis of the funding for each appropriation line item (ALI) in the Adjutant General's (ADJ) budget. These line items are grouped into four categories based on their funding purposes. The analysis for a line item with a lower category or subcategory designation will appear before that for a line item with a higher category or subcategory designation. That is, the analysis for a line item with a category designation of C1:8 will appear before the analysis for a line item with a category designation of C2:1 and the analysis for a line item with a category designation of C1:3 will appear before the analysis for a line item with a category designation of C1:8.

To aid the reader in locating each line item in the analysis, the following table shows the category in which each line item has been placed, listing the line items in order within their respective fund groups and funds. This is the same order the line items appear in the Adjutant General's section of the budget bill.

In the analysis, each line item's expenditures for FY 2025 and appropriations for FY 2026 and FY 2027 are listed in a table. Following the table, a narrative describes the appropriation's revenue source and purpose. The narrative is divided into four categories: (1) Ohio Army National Guard, (2) Ohio Air National Guard, (3) Services and Training, and (4) Program Management.

The appropriation funds the sharing entity's portion of acquisition and maintenance costs of centers and facilities (supplies and maintenance).

**C1:4: Army National Guard Service Agreement (ALI 745616)**

Fund/ALI	FY 2025 Actual	FY 2026 Appropriation	FY 2027 Appropriation

% change	--	2.8%	1.0%

This line item is supported entirely by funds awarded to the Department by the National Guard Bureau of the Department of Defense to support numerous military operations and maintenance services and activities. This includes real property maintenance, electronic security system operation and maintenance, security guard costs, telecommunications, environmental management, ranges and training land, and information services.

This funding stream is part of an ongoing cooperative agreement with the federal government to share the costs of personnel, utilities, supplies, and equipment associated with the daily operation of Army National Guard facilities. Some of these costs are fully paid for out of this line item, while other costs require state matching funds. That required state match is paid from GRF line item 745499, Army National Guard. The amount of federal funding received is dependent upon the operational requirements of the nine Army federal agreements.

**Category 2: Ohio Air National Guard**

This funding category includes state and federal money appropriated primarily for the purpose of funding services and activities rendered at Air Wings located in Springfield, Toledo, Mansfield, Rickenbacker, Zanesville, and Red Horse. These services and activities include the provision of the maintenance and facility support to all Air Wings and specialized nonflying units including fire protection and security.

**C2:1: Air National Guard (ALI 745404)**

Fund/ALI	FY 2025 Actual	FY 2026 Appropriation	FY 2027 Appropriation

This line item provides the required match (typically 25%) to secure a federal grant for onsite maintenance and facility support personnel and related services and activities services at Air Wings located at Springfield, Toledo, Mansfield, Rickenbacker, Zanesville, and Red Horse. The federal funds are appropriated to line item 745628, Air National Guard Operations and Management.

**C2:2: Air National Guard Operations and Maintenance (ALI 745628)**

Fund/ALI	FY 2025 Actual	FY 2026 Appropriation	FY 2027 Appropriation

The federal funds cover 100% of the cost of rendering fire protection services, and generally, 75% of the cost of rendering onsite maintenance and facility support services. The remainder of the latter's cost, generally 25%, is covered by a required state match that the Department draws from GRF line item 745404, Air National Guard.
