OHIO ARTS COUNCIL

- Would have eliminated the Per Cent for Arts Program (VETOED).

Per Cent for Arts Program (VETOED)

(R.C. 3379.10, repealed; conforming changes to R.C. 127.16, 3379.03, and 3379.12)

The Governor vetoed a provision that would have eliminated the Per Cent for Arts Program. Under continuing law, when a state agency seeks to construct or renovate a public building and will spend more than $4 million on the project, the agency must contract with the Ohio Arts Council to use 1% of the appropriated state money on works of art for display in or on the building.
