Source: General Services Fund Group: License fees and other assessments collected by the state's professional and occupational licensing boards.

Legal Basis: ORC 4781.02 and 4743.05 (originally established by Sub. S.B. 102 of the 125th G.A.). Appropriation authority was originally approved by the Controlling Board on November 15, 2004.

Purpose: The funds in this line item are used for general operating expenses, including payroll, supplies and equipment needed for the Commission to train, examine, and license manufactured home installers; train, license, and certify manufactured home inspectors; certify local building department inspectors; develop standards for installation of manufactured homes; and provide a dispute resolution process for manufactured home complaints. There is no appropriation for FY 2007 as the Commission is to be consolidated into the Department of Commerce that year (see Section 315.03 of Am. Sub. H.B. 66 of the 126th G.A.). An appropriation for FY 2007 will be provided once the plan is finalized.
