Legal Basis: Section 289.10 of Am. Sub. H.B. 1 of the 128th G.A. (originally established by Controlling Board in 1975)

Purpose: This line item funds staff to provide technical consultations to public health, medical, and veterinary professionals in the prevention and control of animal and arthropod-borne diseases that are transmitted from animals to humans, such as rabies and West Nile Virus. The program maintains animal surveillance information which is critical for decision-making for people needing rabies treatment and for public health agencies in applying pesticides to control mosquito-borne disease. The program works with local agencies to prevent the spread of raccoon-rabies in Northeast Ohio.

Legal Basis: Section 289.10 of Am. Sub. H.B. 1 of the 128th G.A. (originally established by Am. Sub. H.B. 238 of the 116th G.A.)

Purpose: This line item funds prenatal and child health services and women's health services at all levels of public health including direct care, enabling services, population-based services and infrastructure-based services. These moneys are appropriated as part of an effort to make health care services available in all geographic areas of the state. Federal Title X (Family Planning) funds and the Maternal Child Health Block Grant help finance the program. This line item was restructured beginning in FY 2010. In previous biennia, activities related to federally qualified health centers and dental care were paid for through this line item. Those activities are now funded through GRF line items 440465, Federally Qualified Health Centers, and 440467, Access to Dental Care, respectively.

Legal Basis: Section 289.10 of Am. Sub. H.B. 1 of the 128th G.A. (originally established by Am. Sub. H.B. 694 of the 114th G.A.)

Purpose: This appropriation is used to purchase vaccines for immunization against vaccine-preventable infectious diseases for children who do not qualify for the federal Vaccines for Children Program (kids who are Medicaid-eligible, Native Americans, Pacific Islanders, and underinsured children) or federal 317 funds. Recommended vaccines are required for school entry, day care, and Head Start and this funding helps children meet those requirements. State funds also provide hepatitis B immune globulin and hepatitis B to birthing hospitals for the Perinatal Hepatitis B Prevention Program. This funding also helps in the development of the statewide immunization registry which documents vaccinations administered to residents. Funds are also combined with federal funds to fund local health districts in Ohio to increase immunization rates through education and training, assessment, feedback and incentives.

Source: General Revenue Fund

Legal Basis: Section 289.10 of Am. Sub. H.B. 1 of the 128th G.A.

Purpose: Healthy Ohio, a Turnaround Ohio initiative created in the SFY 2008-2009 biennium, provides and supports programs and activities that promote health, prevent chronic disease and injury, and reduce health disparities. The goals are to assure a healthy, productive workforce and equip students for learning, while also contributing to the more efficient and cost-effective use of medical services.

Program initiatives include the prevention and reduction of obesity, chronic disease prevention programs (including the Breast and Cervical Cancer Program and others addressing diabetes, heart disease and stroke, and comprehensive cancer), injury prevention (including the child passenger safety program), and sexual assault and domestic violence. In addition, Healthy Ohio encompasses the comprehensive Tobacco Use Prevention and Cessation Program. Healthy Ohio also works with sister agencies to enhance, develop, and coordinate health promotion and disease prevention programs, especially for target populations such as those with low-incomes, mental health and/or substance abuse issues, or seniors.

Purpose: The funds in this line item are used for local environmental health activities with the goal of preventing disease and protecting of environmental public health. This bureau protects the health of all Ohio residents and prevents illness by assuring that agricultural labor camps, swimming pools, manufactured home parks, marinas, campgrounds, and other areas meet mandated environmental health standards. The bureau also regulates local health departments to ensure that restaurants, private water supplies, private sewage systems, and other areas meet environmental public health standards. This bureau also ensures that the statutory requirements are met for smoking enforcement. Further, the bureau investigates and evaluates public health threats posed by the release of hazardous materials, and samples beach water from select Lake Erie public bathing beaches. In FY 2010 and 2011, the line item will be used for testing and surveillance activities related to local environmental activities. In previous biennia, these expenses were appropriated in GRF line item 440451, Public Health Laboratory.

Purpose: This line item funds the Help Me Grow Program and is used to distribute subsidies to counties to implement the program. The program promotes the optimal development of infants and toddlers and family-centered programs and services that acknowledge and support the social, emotional, cognitive, intellectual, and physical development of children and the vital role of families in ensuring the well-being and success of children. Appropriations from this line item may be used in conjunction with early intervention funds from the U.S. Department of Education, and other state and local early childhood funds and services. In order to be eligible for funding, a home-visiting program must serve pregnant women, or parents or other primary caregivers and the parent or other primary caregiver's child or children under three years of age, through quality programs of early childhood home visitation and if the home visitations are performed by nurses, social workers, and other competent staff.

The line item may also be used for the Autism Diagnosis Education Pilot Program.

Legal Basis: Section 289.10 of H.B. 1 of the 128th G.A.

Purpose: Funds in this line item are to be used to strengthen Ohio's health care safety net through health care provider recruitment and retention activities in underserved areas and the provision of uncompensated care by federally qualified health centers (FQHCs) and FQHC Look-Alikes. FQHCs are a type of provider defined by the Medicare and Medicaid statutes. FQHCs include all organizations receiving grants under Section 330 of the Public Health Service Act, certain tribal organizations, and FQHC Look-Alikes. FQHCs receive federal grant funding (PHS Section 330 grant), and Look-Alikes do not (although they meet all of the eligibility requirements of an FQHC). Currently, Ohio has 35 FQHCs and Look-Alikes with over 147 sites in both urban and rural areas throughout the state. In 2007, FQHCs provided care to over 374,000 Ohioans and recorded well over 1.3 million patient visits. In previous biennia, funds for this program were appropriated in GRF line items 440416, Mothers and Children Safety Net Services, and 440511, Uncompensated Care/Emergency Medical Assistance.

Purpose: This line item subsidizes the Program for Medically Handicapped Children for services provided to persons age 21 or older who suffer from cystic fibrosis and hemophilia. The line item also provides for the purchase of essential medications for the Cystic Fibrosis Program. The income eligibility limit for assistance is based on 185% of the federal poverty level. There are nine state-funded comprehensive treatment centers serving over 1,900 persons with hemophilia and related bleeding disorders. The program also assists approximately 30 persons with a bleeding disorder to maintain private health insurance coverage through the Hemophilia Insurance Pilot Program.

Additionally, the line item is to provide essential medications for the Cystic Fibrosis Program and to pay the copayments for drugs approved by ODH and covered by Medicare Part D that are dispensed to participants for the Cystic Fibrosis Program. The line item may also be used, to the extent that funding is available, to provide up to 18 in-patient hospital days for participants in the Cystic Fibrosis Program. The Department is required to expend all funds in the line item.
