Source: General Services Fund Group: Reimbursements paid to the Office of Legislative Information Systems (LIS) by the House of Representatives and the Senate for connections to the public switched telephone network and for calls made from House of Representatives and Senate telephones, as well as amounts that House of Representatives and Senate members and employees pay their respective chambers for personal long-distance calls made on House of Representatives and Senate telephones.

Legal Basis: Section 321.10 of Am. Sub. H.B. 1 of the 128th G.A. (originally established by Controlling Board on January 22, 2007)

Purpose: This line item is used by the Office of Legislative Information Systems (LIS) to pay the monthly telephone bills it receives for calls made from House of Representatives and Senate telephones. The fund permits LIS to account separately for the telephone bills it pays and enables the House of Representatives and the Senate to demonstrate clear accountability for their calls. Absent this fund, House of Representatives and Senate reimbursements would be credited to the GRF, and the payment for House and Senate telephone calls would continue to be lumped together with other telephone calls paid for by LIS using money appropriated to LIS from the GRF. H.B. 1 renamed, beginning in FY 2010, and codified Fund 5EF0 and broadened the use of the fund to include JLEC and any other legislative agency as determined by LSC. The fund was formerly called the House and Senate Telephone Usage Fund.
