Purpose: The fund receives fees for unified carrier registration. The Revised Code requires that annual fee amounts levied by PUCO be identical to those established by the Unified Carrier Registration Agreement (UCRA) Board of Directors as approved by the Federal Motor Carrier Safety Administration. Federal law mandates that all motor carriers required to register with the U.S. Department of Transportation (including private, for-hire, and exempt carriers, as well as brokers, freight forwarders, and leasing companies) pay the fees. Purely intrastate motor carriers are not subject to unified carrier registration fees. Prior to FY 2013, these PUCO activities were funded by Fund 5F60 appropriation item 870625.

This line item receives and disburses funds received under a base-state registration program for hazardous material carriers. Under this type of program, carriers who operate in more than one state can register for all states in their home state. Consequently, some funds are disbursed to other states for those registration fees that are ultimately transferred out of Ohio. Prior to FY 2013, these PUCO activities were funded by Fund 4S60 appropriation items 870618 and 870621.

Once the point is reached, additional forfeitures must be deposited into the GRF. Prior to FY 2013, these PUCO activities were funded by Fund 4U80 appropriation item 870620.

Purpose: Funds are used to administer the Motor Carrier Safety Assistance Program (MCSAP) involving the safe operation of commercial motor vehicles. The program, originally authorized by the Surface Transportation Act of 1982, began as an inspection program by the PUCO. However, with the passage of the Intermodal Surface Transportation Act of 1991, it was expanded to deal with drug interdiction and other matters under the purview of the State Highway Patrol. To receive the grant, the state must contribute 20% of the total costs and use the funds to enhance the program, not to support existing activities. Since, however, the PUCO is the primary recipient for the federal funds, this line item retains appropriation authority over the entire amount of the federal grant. The PUCO transfers the appropriate amount to the Department of Public Safety to fund the Department's enforcement division.
