GRF	110908	Property Tax Reimbursement - Local Government
-----	--------	--

Source: General Revenue Fund

Legal Basis: ORC 319.302 and 323.151 through 323.157; Section 375.10 of Am. Sub. H.B. 64 of the 131st G.A.

Purpose: This line item is used to reimburse local governments other than school districts for losses incurred as a result of the 10% and 2.5% rollbacks and the homestead exemption reductions in real and manufactured home property taxes. Prior to FY 2016, funds for this purpose were provided through GRF line item 110901 in the Department of Taxation's budget. Types of real property eligible for the rollback include those used for farming; leasing property for farming; occupying, holding, or leasing property improved with one-, two-, or three-family dwellings; or holding vacant land that the county auditor determines will be used for these purposes. Owner-occupants of residential real property are eligible for an additional 2.5% tax reduction for those primary residences. Only "qualifying levies" as defined in ORC 319.302 are subject to the rollbacks; qualifying levies generally are levies on the tax list for tax year 2013 or renewals of such levies.

The homestead exemption is an partial exemption from real property taxation, on the first \$25,000 of a home's market value for owner-occupants who are (1) age 65 or older, or (2) permanently and totally disabled. Starting in tax year 2014, eligibility for the homestead exemption is further limited to persons with incomes of \$30,000 or less, except that persons who previously received the exemption will continue to do so, and persons who qualified but did not apply for the exemption in 2013, and who timely filed in 2014, will also receive the exemption. The \$30,000 income cap rises with inflation. For a homestead of a veteran with a 100% permanent total disability rating, the partial exemption is \$50,000 of the real property's market value, with no income test for eligibility.

**Purpose:** This line item is used to make payments to school districts and joint vocational school districts (JVSDs) to help compensate for losses from the phase-out of general business tangible personal property taxes. This phase-out was initiated by H.B. 66 of the 126th G.A., and accelerated by H.B. 153 of the 129th G.A. This line item also makes payments to school districts and JVSDs for reductions in assessment rates for certain types of tangible personal property subject to the public utility tangible personal property tax. Am. Sub. H.B. 64 of the 131st G.A. continues a phase-out of these reimbursements. It also consolidated two line items that were within the Department of Education budget (ALI 200900 and ALI 200909) into this line item.

- **Source:** Revenue Distribution Fund Group: Starting August 2013, 1.66% of total state GRF tax revenue is transferred to this fund; for accounting purposes, transfers to Fund 7069 are debited against personal income tax receipts.
- **Legal Basis:** ORC 131.51 and 5747.50; Sections 221.10 and 375.10 of Am. Sub. H.B. 64 of the 131st G.A.
- **Purpose:** The Local Government Fund (LGF) provides state aid to counties and municipalities. County amounts are disbursed to local subdivisions to be used for current operating expenses of the county government, municipalities, townships, and certain special districts. Starting in FY 2014, no county undivided local government fund is to receive less than \$750,000 or the amount received in FY 2013, whichever is smaller.

In each of FY 2016 and FY 2017, \$12 million that would have been paid directly to municipal corporations by the Department of Taxation is instead to be paid to county undivided local government funds for distribution to townships, \$10 million, and small villages (those with populations under 1,000), \$2 million. In FY 2016, \$5 million, and in FY 2017, \$10 million that would have been paid directly to municipal corporations by the Department of Taxation is instead to be credited to the Law Enforcement Assistance Fund (Fund 5L50) to fund reimbursement of continuing professional training costs for peace officers and troopers.

#### I Fuel Tex Distribution

Source: Holding Account Fund Group: Fuel use tax payments

Legal Basis: ORC 5728.06; Section 375.10 of Am. Sub. H.B. 64 of the 131st G.A.

Purpose: This fund holds fuel use tax payments prior to distribution to other funds in Ohio or to other jurisdictions owed a portion of the fuel tax collected from Ohio-based carriers under the International Fuel Tax Agreement (IFTA). Under IFTA, an agreement among the 48 contiguous U.S. states and 10 Canadian provinces, trucking companies register for fuel use tax in their home state or province and file one tax return, instead of registering and filing in each jurisdiction in which they operate. The base state or province then makes payments to other jurisdictions that are owed some of the fuel tax, and also collects tax it is owed from other jurisdictions. These payments are made possible by a set of reciprocal agreements among the states and provinces in IFTA.
