Ohio Legislative Service Commission
October 2016

INTRODUCTION

The Ohio General Assembly appropriates moneys to more than 100 departments, boards, commissions, and other agencies. These moneys are appropriated to specific line items of specific funds for each agency. LSC prepares this Catalog of Budget Line Items (COBLI) to provide relevant information on every line item of a state agency. Specifically, the catalog includes a table for each line item that indicates the fund to which the line item belongs, the line item number, the line item title, and a six-year funding history. Following the table is a brief description of that line item, including the revenue source, legal basis, and purpose (see below for an example).

Legal Basis:		Section 205.10 of Am. Sub. H.B. 64 of the 131st G.A. (originally established by Am. Sub. H.B. 283 of the 116th G.A.)			
Purpose:		This line item is used to support the training and administrative operations of the Ohio Military Reserve, a voluntary state defense force. The expenses charged against this line item are primarily for supplies and maintenance, principally the cost of meals provided during training.			

For this 2016 edition, the actual spending amounts for FY 2012 through FY 2016 and adjusted appropriations for FY 2017 are displayed in each line item table. The adjusted appropriations for FY 2017 are those shown in the state accounting system – OAKS – as of August 31, 2016. Agency appropriations that were originally established in the budget acts may be adjusted by Controlling Board or additional legislative action. The acts of the 131st General Assembly that affect FY 2017 original appropriations include H.B. 340, H.B. 390, H.B. 391, H.B. 483, and S.B. 315.

In the catalog, each agency’s line items are arranged according to the fund groups to which the line items belong. The line items within the General Revenue Fund appear first, followed by the Dedicated Purpose Fund Group, the Internal Service Activity Fund Group, and the Federal Fund Group. In addition to these four major fund groups, line items can also be found in several other, smaller fund groups, such as the State Lottery Fund Group and the Revenue Distribution Fund Group.

In addition to the printed version, the catalog may be viewed on LSC’s web site at www.lsc.ohio.gov by clicking on *Budget Bills & Related Documents* and then *Catalog of Budget Line Items* under the *Operating Budgets* heading.

Purpose: This line item is used to expend the portion of the federal Social Services Block Grant (SSBG) received by ODODD as well as other smaller federal grants. The federal SSBG is received by ODJFS, which keeps 72.5% and distributes 14.57% to ODODD and 12.93% to the Department of Mental Health and Addiction Services. ODODD distributes their portion of the grant to county DD boards to supplement the costs of services provided by the boards. States have wide discretion in determining which services to provide with these funds.

This line item is also now used to support the administration of Ohio's Early Intervention Services Program. H.B. 483 of the 131st G.A. transfers from ODH to ODODD the responsibility for implementing the state's Part C Early Intervention Services Program, including the administration of funds provided for the program. Thus, beginning in FY 2017, funds for the program are no longer spent out of line item 440459, Help Me Grow, or 440418, Federal Public Health Programs, both within ODH's budget. Rather, they are expended from this line item and line item 322421, Early Intervention.

Source: General Revenue Fund

Legal Basis: Discontinued line item (originally established by Am. Sub. H.B. 204 of the 113th G.A.)

Purpose: This line item was used to reimburse school districts for losses incurred as a result of the 10% and 2.5% “rollback” reductions in real property taxes and as a result of the “homestead exemption” reduction in real property taxes. Beginning in FY 2010, this line item was also used to reimburse school districts for tax revenue lost from Class 2 real property and public utility tangible personal property as a result of passing a conversion levy. Under Am. Sub. H.B. 59 of the 130th G.A., the rollback payments no longer apply to new or replacement levies approved by voters at the November 2013 election and onward. That bill also altered the homestead exemption program so that newly eligible elderly or disabled homeowners must have an Ohio adjusted gross income of less than \$30,000 to qualify (persons currently receiving the exemption for their current home do not lose it). Since 2007, all elderly or disabled homeowners qualified regardless of income. Prior to that, the homestead exemption was also means-tested. Beginning in FY 2016, these payments are made from GRF line item 200903, Property Tax Reimbursement - Education, located in the State Revenue Distributions (RDF) section.

Purpose: H.B. 64 of the 131st G.A. specifies that ODH will no longer provide GRF funding for vaccines or GRF-funded vaccines from this line item after January 1, 2016. Instead, local health departments and other local providers will bill private insurance companies for the costs of providing and administering vaccines. Under these exceptions, funding in this line item may be used to purchase vaccines for immunization against vaccine-preventable infectious diseases for children who do not qualify for the federal Vaccines for Children Program (children who are Medicaid-eligible, uninsured, or American Indian/Alaskan Native qualify for the Vaccines for Children Program) or federal 317 immunization grant funds. Recommended vaccines are required for school entry, day care, and Head Start and this funding helps children meet those requirements. State funds also provide hepatitis B immune globulin and hepatitis B to birthing hospitals for the Perinatal Hepatitis B Prevention Program.

Funding in this line item also helps in the development of the statewide immunization registry, which documents vaccinations administered to residents. Funds are also combined with federal moneys to fund local health districts in order to increase immunization rates through education, training, assessment, feedback, and incentives.

Purpose: This line item provides an eligible campus with the difference between its formula-determined debt service amount under the capital allocation formula used prior to 2012, and the actual debt service amount received by the campus. The funds can be used by the campus only for capital projects. From 1999 to 2012 DHE implemented an incentive-based capital funding policy which determined each campus's debt service amount through a formula. Campuses, other than the Ohio Agricultural Research and Development Center (OARDC), that received debt service amounts higher than their formula-determined amounts will have the difference deducted from their State Share of Instruction subsidy allocations. For OARDC, the difference is deducted from GRF line item 235535, Ohio Agricultural Research and Development Center. These deducted funds are transferred into this line item. The transferred funds and the original appropriation for this item are distributed to campuses that received debt service amounts less than their formula-determined amounts.

Guard members attending private universities are eligible for scholarships equal to average state tuition at public institutions. If funds are not sufficient to meet full tuition for all eligible applicants, scholarship amounts are reduced and the institutions enrolling the scholarship recipient must make up the difference in the recipient's award amount. Purpose: This line item provides debt service payments to retire general obligation bonds issued for state-assisted colleges and universities. A 1999 constitutional amendment authorized the state to issue general obligation bonds for the purpose of financing capital needs of state-assisted colleges and universities. In contrast with special revenue bonds, which were paid by a dedicated revenue source, general obligation bonds are backed by the full faith and credit of the state. Because of this additional backing, general obligation bonds can generally be issued at lower interest rates than special revenue bonds. Since 2000, the state has issued only general obligation bonds for capital needs of state-assisted colleges and universities.

Purpose: This line item funds the Ohio Department of Medicaid's (ODM) operating expenses. Beginning in FY 2014, the state share of administrative funding previously appropriated in GRF line items 600321, Program Support, 600416, Information Technology Projects, 600417, Medicaid Provider Audits, 600425, Health Care Programs, and 600525, Health Care/Medicaid, and non-GRF line items 600639, Health Care/Medicaid Support - Recoveries, 600629, Health Care Program and DDD Support, and 600608, Long-Term Care Support, which were all under the Ohio Department of Job and Family Services (ODJFS), is appropriated in this line item. Purpose: This line item reimburses health care providers for covered services to Medicaid recipients. Beginning in FY 2014, this line item replaced GRF line item 600525, Health Care/Medicaid, which was under ODJFS. It is used for the same purpose as item 600525 except that the costs of administrative activities and certain health care related contracts such as eyeglass purchases, inpatient hospital peer review, enrollment information centers, and contracted case management are not funded through this line item. The federal earnings on the payments that are made from this line item are deposited as revenue into the GRF. The majority of expenditures from this line item earn the regular Federal Medical Assistance Percentage (FMAP) reimbursement rate at approximately 64%; however, a portion of the buy-in premium payments are state funds only. Expenditures for the State Children's Health Insurance Program (SCHIP) from this line item earn an enhanced federal participation rate.

Beginning in FY 2016, the expenditures for covering the Medicaid expansion population through the federal Affordable Care Act (ACA) are made out of this line item. During FY 2016 and the first half of FY 2017, federal funds provide 100% of the expenditures associated with covering this population. During the second half of FY 2017, federal funds provide 95% of these expenditures and the state provides the remaining 5%. In the FY 2014-FY 2015 biennium, Fund 3F00 line item 651623, Medicaid Services - Federal, was used to fund expenditures related to the ACA expansion population.

Purpose: This line item is used for the phased-down state contribution, otherwise known as the clawback payment, under the Medicare Part D requirements contained in the federal Medicare Prescription Drug, Improvement, and Modernization Act (MMA) of 2003. The clawback is a monthly payment made by each state to the federal Medicare Program. The amount of each state's payment roughly reflects the expenditures of its own funds that the state would have made if it continued to pay for outpatient prescription drugs through Medicaid on behalf of dual eligibles (individuals eligible for both Medicare and Medicaid). Prior to FY 2014, funds for this purpose were provided for in GRF line item 600526, Medicare Part D, which was used by the Ohio Department of Job and Family Services.

Legal Basis: ORC 4921.21; Section 363.10 of Am. Sub. H.B. 64 of the 131st G.A. (originally established by Controlling Board in 1984)

Purpose: Funds are used to administer the Motor Carrier Safety Assistance Program (MCSAP) involving the safe operation of commercial motor vehicles. The program, originally authorized by the Surface Transportation Act of 1982, began as an inspection program by the PUCO. However, with the passage of the Intermodal Surface Transportation Act of 1991, it was expanded to deal with drug interdiction and other matters under the purview of the State Highway Patrol. To receive the grant, the state must contribute 20% of the total costs and use the funds to enhance the program, not to support existing activities. Since, however, the PUCO is the primary recipient for the federal funds, this line item retains appropriation authority over the entire amount of the federal grant. The PUCO transfers the appropriate amount to the Department of Public Safety to fund the Department's enforcement division.

This entails electricity delivery and energy reliability activities to modernize the electric grid. These federal funds, authorized by the American Recovery and Reinvestment Act (ARRA), were also used for implementation of smart grid programs authorized under Title XIII of the Energy Independence and Security Act of 2007.

Legal Basis: ORC 319.302 and 323.151 through 323.157; Section 375.10 of Am. Sub. H.B. 64 of the 131st G.A.

Purpose: This line item is used to reimburse local governments other than school districts for losses incurred as a result of the 10% and 2.5% rollbacks and the homestead exemption reductions in real and manufactured home property taxes. Prior to FY 2016, funds for this purpose were provided through GRF line item 110901 in the Department of Taxation's budget. Types of real property eligible for the 10% rollback include those used for farming; leasing property for farming; occupying, holding, or leasing property improved with one-, two-, or three-family dwellings; or holding vacant land that the county auditor determines will be used for these purposes. Owner-occupants of residential real property are eligible for an additional 2.5% tax reduction for those primary residences. Only "qualifying levies" as defined in ORC 319.302 are subject to the rollbacks; qualifying levies generally are levies on the tax list for tax year 2013 or renewals of such levies.

The homestead exemption is a partial exemption from real property taxation, on the first \$25,000 of a home's market value for owner-occupants who are (1) age 65 or older, or (2) permanently and totally disabled. Starting in tax year 2014, eligibility for the homestead exemption is further limited to persons with incomes of \$30,000 or less, except that persons who previously received the exemption continue to do so, and persons who qualified but did not apply for the exemption in 2013, and who timely filed in 2014, also receive the exemption. The \$30,000 income cap rises with inflation. For certain disabled veterans, the partial exemption is \$50,000 of the real property's market value, with no income test for eligibility.

The base state or province then makes payments to other jurisdictions that are owed some of the fuel tax, and also collects tax it is owed from other jurisdictions. These payments are made possible by a set of reciprocal agreements among the states and provinces in IFTA.
