Legal Basis: ORC 901.051; Section 211.10 of H.B. 110 of the 134th G.A.

Purpose: This line item is used to disburse federal grants and pay for services that the Department of Agriculture provides on behalf of the federal government. In regard to animal diseases, food contamination, and laboratory preparedness, the funding is used to conduct surveys, inspections to detect disease or contamination in the food chain (food emergency response network) and carry out regulatory actions to prevent interstate spread of foodborne contaminants and animal diseases. The Specialty Crop Block grants are also supported through this fund. This federal funding also supports programs under the Soil and Water Division. These programs are operated through the Cooperative Contracts Fund (Fund 3820) to aid cash flow, as federal allocations for these various purposes tend to be received intermittently.
