Legal Basis: As-needed line item; Established by Controlling Board on June 15, 2020

Purpose:This line item funded the initial phase of a wastewater-based epidemiology project to
cover sample collection, laboratory testing costs, and training related to COVID-19. The
project involves the Ohio EPA and the Ohio Department of Health working with the
Ohio Water Resources Center (OWRC), the U.S. EPA's Office of Research &
Development, and four Ohio universities to develop testing methods and scientific
protocols to help communities identify prevalence and trends in COVID-19.
