

# INTRODUCTION

The Ohio General Assembly appropriates moneys to more than 100 departments, boards, commissions, and other agencies. These moneys are appropriated to specific line items of specific funds for each agency. LSC prepares this Catalog of Budget Line Items (COBLI) to provide relevant information on every line item of a state agency. Specifically, the catalog includes a table for each line item that indicates the fund to which the line item belongs, the line item number, the line item title, and a six-year funding history. Following the table is a brief description of that line item, including the revenue source, legal basis, and purpose (see below for an example). If applicable, the revenue source will include a Federal Assistance Listing (FAL) number, which is a unique identifier for federal assistance programs (formerly known as the Catalog of Federal Domestic Assistance (CFDA) number)

**Legal Basis:** Section 265.10 of H.B. 110 of the 134th G.A. (originally established by Controlling Board on July 29, 2002)

**Purpose:** This line item supports the development, production, scoring, and reporting of state reading, mathematics, and science achievement assessments in grades three through eight and high school that are mandated by federal law. The funds in this line item are used in conjunction with funds from GRF line item 200437, Student Assessments.

For this 2022 edition, the actual spending amounts for FY 2018 through FY 2022 and appropriations for FY 2023 adjusted as of September 30, 2022, are displayed in each line item table.

In the catalog, each agency's line items are arranged according to the fund groups to which the line items belong. The line items within the General Revenue Fund appear first, followed by the Dedicated Purpose Fund Group, the Internal Service Activity Fund Group, and the Federal Fund Group. In addition to these four major fund groups, line items can be found in several other smaller fund groups, such as the State Lottery Fund Group and the Revenue Distribution Fund Group.
