Legal Basis: Discontinued line item (originally established by the Controlling Board on May 22, 2017)

Purpose: This line item was used to enhance statewide prevention efforts and increase access to recovery housing and employment services for persons recovering from an opioid use disorder. In addition, the line item funded several activities aimed at increasing the understanding and support of medication-assisted treatment (MAT), including efforts to recruit and train physicians in the use of MAT in counties heavily impacted by the opioid epidemic. Some grant activities were conducted statewide, while others were concentrated in counties with both the greatest treatment need and the highest number of opioid overdose deaths. Additionally, some grant funds were used to support certain community-specific projects proposed by various local boards.

Legal Basis: Section 337.10 of H.B. 33 of the 135th G.A. (originally established by Controlling Board on October 29, 2018)

Purpose: This line item is used to support numerous activities supporting Ohio's response to the opioid crisis in the state. These funds focus on building a community system of care (prevention, early intervention, treatment and recovery support) that emphasizes service integration between physical health, emergency health care, behavioral health care, criminal justice, and child welfare. The majority is provided directly to state, local, and community stakeholders to fund local community efforts to support treatment programs and initiatives, such as: distribute naloxone to reverse overdoses; expand fentanyl awareness campaigns; support Ohio's prescription drug monitoring system; implement culturally appropriate services; and connect families to appropriate care through increased early screening and assessments. Additional funds are being used to implement OhioMHAS' statewide priorities and awareness campaigns, to develop innovative technology to help manage behavioral health conditions, and to administer and evaluate grant activities.
