Legal Basis: R.C. 103.41; Section 313.20 of H.B. 96 of the 136th G.A. (originally created in Section 9 of S.B. 206 of the 130th G.A.)

Purpose: This line item supports operating expenses related to the Joint Medicaid Oversight Committee (JMOC), as the committee concludes its activities during the first quarter of FY 2026. Since it was established in March 2014, JMOC has been responsible for providing ongoing legislative oversight of the state's Medicaid Program. This included contracting with an actuary before the beginning of each fiscal biennium to determine the projected medical inflation rate, reviewing how Medicaid related to the public and private provision of health care coverage, recommending improvements in Medicaid statutes and rules, and developing a plan of action for the future of Medicaid.
