Effective date: October 17, 2017

- Modifies the appointing authorities and composition of a financial planning and supervision commission that has been established for a municipal corporation, county, or township (hereinafter, a "local government") that is in a state of fiscal emergency.
- Changes provisions that apply to appointed commission members.
- Requires the financial plan submitted to the commission to include a description of the source and amount of all funds available to the local government, including restricted funds.
- Requires the financial plan to provide for the use of all funds available to the local government, with exceptions.
- Authorizes the commission, under certain circumstances, to prohibit expenditures from the general fund and all funds of the local government in any month from exceeding 85% of expenditures from the general fund and all funds for that month in the preceding fiscal year.
- Incorporates new expenditure limitations into continuing expenditure restrictions for purposes of applying certain financial plan noncompliance and penalty laws.
- Retains the fiscal watch law that changed the time period for filing a financial recovery plan and that added a condition for moving a local government from a fiscal watch to a fiscal emergency.
