

Public Retirement

S.B. 27

Primary Sponsor: Sen. Hottinger

Effective date: September 7, 2021

- Authorizes state government employers to automatically enroll new state employees in the Ohio Public Employees Deferred Compensation Program and prescribes procedures for an employer to elect or cease automatic enrollment.
- Requires the Ohio Public Employees Deferred Compensation Board to establish the deferral amounts from the compensation of employees automatically enrolled in the program and specify the investment options into which those amounts will be invested.
