OVERVIEW

Agency Overview

The Ohioana Library Association (OLA) is an independent, nonprofit entity governed by a 28-member board of trustees that is dedicated to collecting and promoting literary works by Ohio authors or about Ohio or Ohioans. The day-to-day operations are run by a staff of four full-time employees, including an executive director appointed by the board. OLA also employs a number of volunteers for its annual events, as reviewers for the *Ohioana Quarterly*, and for other work. The organization is not a state agency, but receives an annual operating subsidy from the General Revenue Fund in the main operating budget.

OLA maintains a collection of approximately 50,000 books, 10,000 pieces of sheet music, and biographical information on over 25,000 distinguished Ohioans, including writers, artists, and musicians. OLA also sponsors the Ohioana Book Festival, publishes the *Ohioana Quarterly* literature review, and sponsors a number of annual awards to recognize and encourage accomplishments among Ohio's literary community.

Library Subsidy (355501)

This item provides state support for OLA's operations. These funds support a portion of OLA's costs, including some payroll and benefit costs, associated with the management of the library's collection and programs. The funds also serve as leverage for OLA to secure private funding. OLA engages in private fundraising campaigns to generate additional income, much of which is dedicated to the library's long-term endowment or to special projects, and not for day-to-day operating costs. The state subsidy does not include the costs of renting Ohioana's office and collection space, which is leased from the State Library of Ohio and is paid for through that agency's budget.
