DDDCD34 Residential facility licensure

R.C. 5123.19, 5123.196, 5123.198

Repeals provisions related to the licensure of residential facilities by ODODD that (1) require the establishment of procedures for public notice of certain actions taken by the ODODD Director, (2) require the adoption of rules establishing certification procedures for licensees and management contractors, classification of types of residential facilities, and personnel training, (3) require that a survey be performed when multiple facilities owned or operated by the same person or entity are out of compliance with the law, and (4) require ODODD to establish procedures to notify interested parties regarding facilities that are closing or losing their license.

Eliminates current law that (1) requires ODODD to have rules establishing classifications for the various types of residential facilities and (2) permits a residential facility, notwithstanding the maximum number of persons who may be served in its type of facility according to the rules, to serve the same number of persons it served before the rules went into effect or it is authorized to serve under circumstances related to a certificate of need.

TAXCD90 Wishes for Sick Children income tax refund check-off

No provision.

No provision.

R.C. 5747.113, 3701.602

Creates an income tax refund contribution check-off to fund a program administered by a nonprofit corporation that grants the wishes of individuals who are under the age of 18, are residents of the state, and have been diagnosed with a life-threatening medical condition. Directs the Department of Health to distribute all contributions to the eligible nonprofit corporation to administer the program

Fiscal effect: Potential gain in revenue to the Wishes for Sick Children Income Tax Contribution Fund, established by the bill. The revenue gain would likely be in the hundreds of thousands annually, based on experience with other income tax checkoffs.
