Personal Income Tax

TAXCD21

Opportunity Zone tax credit

R.C. 122.84, 107.036, 122.86, 5747.02, 5747.82, and 5747.98

Creates a new Opportunity Zone Investment tax credit equal to 10% of an individual's investment in an Opportunity Zone investment fund, up to \$1 million per biennium. Permits the credit to be used to reduce personal income tax liability and makes it nonrefundable. Prohibits the Director of Development Services, to whom applicants must apply to be issued a tax credit certificate, from issuing more certificates than would cause the tax credits claimed in any fiscal biennium from exceeding \$50 million. (Under federal income tax law, investments made in an Opportunity Zone fund and held for at least five years accrue the federal tax benefit of deferred and reduced taxable capital gains. The proposed Ohio credit does not have a minimum holding period.)

Fiscal effect: May reduce income tax revenue. The Executive estimates a GRF tax revenue loss of \$30 million in FY 2021. Would reduce transfers through the Local Government Fund (Fund 7069) and the Public Library Fund (PLF, Fund 7065), each by 1.66% of any GRF revenue reductions under codified law, to local governments and public libraries. A provision of H.B. 166 would transfer 1.68% of tax revenue to the PLF in FY 2020 and 2021. Amounts retained by the GRF would be reduced by 96.68% of any revenue reduction under codified law, and by 96.66% taking account of the higher PLF percentage specified in the bill for the upcoming biennium.

R.C. 122.84, 107.036, 122.86, 5747.02, 5747.82, and 5747.98

Same as the Executive.

Fiscal effect: Same as the Executive.

Executive

In House Finance

TAXCD38 Discontinue motion picture tax credit

No provision.

R.C. 122.85

Repeals a refundable tax credit for motion picture production expenditures, meaning no new credits would be authorized after FY 2019, but credits certified before FY 2020 could continue to be claimed.

Fiscal effect: Increases GRF revenues from the personal income tax, the commercial activity tax and the financial institutions tax. Potential revenue gain in FY 2020 of uncertain magnitude, dependent on credit certifications prior to July 1, 2019. Potential revenue gain in FY 2021 up to \$40 million.

TAXCD24 Lead abatement tax credit

**R.C. 3742.50, 5747.02, 5747.08, 5747.26, and 5747.98;
Section 757.10**

Authorizes taxpayers to apply to the Department of Health for a nonrefundable income tax credit for costs incurred to abate lead hazards in a dwelling built before 1978. Limits the amount of each credit to the lesser of actual lead abatement costs incurred, the amount of such costs listed on an application for the credit, or \$10,000. Authorizes the credits beginning in taxable years beginning on or after January 1, 2020. Authorizes any unused credit to be carried forward up to 7 years.

Fiscal effect: Not more than \$5 million in total credits may be awarded in a biennium.

**R.C. 3742.50, 5747.02, 5747.08, 5747.26, and 5747.98;
Section 757.10**

Same as the Executive but increases the maximum credit amount from \$5 million per biennium to \$5 million per year.

Fiscal effect: Not more than \$5 million in total credits may be awarded in a fiscal year.

Executive

In House Finance

TAXCD48 Repeal of certain income tax credits

**R.C. 5747.01, 5747.02, 5747.98, 5747.29 and 5747.65
(repealed), Section 757.140**

No provision.

Repeals the credit for campaign contributions, effective for the 2019 taxable year.

No provision.

Repeals the credit for a pass-through entity investor's share of financial institutions tax, effective for the taxable year 2019.

Fiscal effect: According to the Tax Expenditure Report published in conjunction with the executive operating budget proposal, these credits reduce GRF receipts by a combined \$8.0 million in FY 2020 and \$8.3 million in FY 2021. Repealing the credits will increase revenues by commensurate amounts.

TAXCD49 Changes to personal income tax business income deduction

**R.C. 5747.01, 5747.02, 323.151, 5747.022, 5747.025,
5747.05, 5747.054, 5747.055, and 5748.01;
Sections 757.150 and 757.160**

No provision.

Reduces the maximum deduction for business income from \$250,000 to \$100,000, or from \$125,000 to \$50,000 for spouses filing separately. (Business income above that amount is subject to an existing 3% flat rate.)

No provision.

Modifies eligibility for several means-tested income tax credits such that high-income taxpayers with little nonbusiness income are not eligible for the tax credits.

Fiscal effect: Increases income tax revenue by approximately \$193 million each year from the reduced deduction and changed eligibility requirements for claiming credits.

Executive

In House Finance

TAXCD50 Modifications to income tax brackets and rates

No provision.

R.C. 5747.02, 5747.01, 323.151, 5747.022, 5747.025, 5747.05, 5747.054, 5747.055, and 5748.01; Sections 757.150 and 757.160

Modifies income tax rate structure such that the tax rate is reduced to zero in the current bottom two tax brackets, exempting from the income tax individuals whose income is \$22,250 or less. Reduces marginal tax rates by 4.7% in the two tax brackets above them - the marginal tax rate applicable to incomes starting at \$22,250 from 2.969% to 2.829% and the marginal rate applicable to incomes starting at \$44,400 from 3.465% to 3.302%. (Tax rates are unchanged for brackets beginning at income level \$88,800.)

Fiscal effect: Reduces personal income tax revenue by approximately \$300 million per year.

TAXCD35 Pass-through entity withholding tax

No provision.

R.C. 5747.41, 5733.40, 5733.41; Section 757.50

Reduces the rate of a tax paid by certain pass-through entities on a percentage of its nonresident investors' distributive income: from 5% to 3% for individual investors and from 8.5% to 3% for nonindividual investors. (The state income tax rate on business income above \$250,000 is 3%.)

No provision.

Authorizes a pass-through entity to avoid withholding the tax if a nonresident investor submits a statement, subject to the penalties of perjury, to the entity affirming that the investor intends to comply with and remit state income tax as required by law. (Under continuing law, the pass-through entity tax collects income tax owed by nonresident pass-through entity

Executive

In House Finance

investors.)

Fiscal effect: Does not change any taxpayer's tax liability, but would reduce the amount of withholding taxes collected. To the extent that taxpayers do not claim all refunds to which they are entitled under current law, the reduction in withholding taxes collected may result in a decline in tax revenue, possibly ranging to millions of dollars, affecting primarily the GRF.

TAXCD46 Income tax credit for hiring ex-felons

No provision.

R.C. 5747.73, 5747.02, 5747.02, 5747.98 and Section 757.120

Authorizes a nonrefundable income tax credit for a taxpayer eligible for the federal work opportunity tax credit (WOTC) for employing an ex-felon. (The maximum credit under the federal WOTC is \$2,400). The state credit equals 30% of the taxpayer's federal WOTC, and any unclaimed balance may be carried forward for seven years.

Fiscal effect: Reduces revenue from the individual income tax by up to \$3 million annually. Revenue losses may be higher in certain future years due to the carryforward provision.

Sales and Use Taxes

TAXCD29 Sales tax on transportation network companies

No provision.

R.C. 5739.01, Section 757.60

Makes changes to the sales taxation of transportation network company (TNC) services (those services are rendered when a rider uses a digital network to arrange transportation with a driver - e.g., Uber, Lyft).

Executive

In House Finance

No provision.

Specifies that the TNC providing the digital network is the vendor required to collect and remit sales taxes in such transactions, rather than the driver.

No provision.

Excludes from the taxable price of such services any fee charged for the service except the base fare or fees based on distance or time.

No provision.

Clarifies that such services are only subject to sales tax if the rider is picked up and dropped off in the state. (Currently, such services are subject to tax only if the transportation occurs entirely within the state.)

Fiscal effect: Increases sales and use tax revenue by between \$16.2 million and \$24.3 million in FY 2020, and by between \$17.7 million and \$26.6 million in FY 2021. Increases revenue from permissive county and transit authorities taxes by \$4.0 million to \$6.0 million in FY 2020, and \$4.3 million and \$6.5 million in FY 2021.

TAXCD47

Repeal of certain sales and use tax exemptions

R.C. 5739.01, 122.175, 5739.02, 5739.025, 5739.03, 5739.05, Section 757.140

No provision.

Repeals the sales and use tax exemptions listed below, effective October 2019:

No provision.

The exemption for aviation repair and maintenance services and parts;

No provision.

The exemption for sales of flight simulators;

No provision.

The exemption for sales of investment bullion and coins;

Executive

In House Finance

No provision.

The \$800 cap on sales of shares of qualified fractionally owned aircraft;

No provision.

The exemption for sales of property and services for maintenance and repair of qualified fractionally-owned aircraft;

No provision.

The exemption for sales of qualified property to qualified motor racing teams.

Fiscal effect: According to the Tax Expenditure Report published in conjunction with the executive operating budget proposal, repealing the credits will increase sales and use tax revenue by about \$33 million in FY 2020 and \$44 million in FY 2021. Increases revenue from permissive county and transit authorities taxes by about \$8 million in FY 2020 and \$11 million in FY 2021

TAXCD43

Sales tax: Exemption for food manufacturing equipment

No provision.

R.C. 5739.011, Section 757.130

Expands an existing sales tax exemption for equipment and supplies used to clean equipment used to produce or process dairy products, to include equipment and supplies used to clean equipment that is used to produce or process any sort of food for human consumption.

Fiscal effect: Reduces sales tax revenue to the GRF by between \$9.9 million and \$11.4 million in FY 2020, and by between \$10.1 million and \$11.7 million in FY 2021. Reduces revenue from permissive county and transit authorities sales taxes by \$2.4 million to \$2.8 million in FY 2020, and \$2.5 million and \$2.9 million in FY 2021.

Executive

In House Finance

TAXCD44

Sales tax: Exemption for manufacturing cleaning supplies and services

No provision.

R.C. 5739.011, Section 757.130

Exempts from sales and use tax any supplies or janitorial services purchased to clean machinery in a manufacturing facility.

Fiscal effect: Reduces sales tax revenue to the GRF by at least \$27.5 million in FY 2020 and \$27.7 million in FY 2021. Reduces revenue from permissive county and transit authorities sales taxes by at least \$6.7 million in FY 2020 and \$6.8 million in FY 2021.

TAXCD31

Modification of substantial use tax nexus standard for remote sellers

No provision.

R.C. 5741.01, 5741.04, 5741.05, 5741.07, 5741.11, 5741.13, 5741.17, 5743.62, Sections 757.80 and 812.20

Modifies Ohio's substantial nexus assumptions as follows: (1) Adds a presumption of substantial nexus for sellers that have gross receipts in excess of \$100,000 from sales into Ohio or engage in 200 or more separate sales transactions into Ohio during the current or preceding calendar year. (2) Eliminates a presumption of substantial nexus for sellers with annual Ohio sales in excess of \$500,000 that either (a) use computer software stored or distributed in Ohio to make Ohio sales or (b) provide, or enter into an agreement with a third party to provide, content distribution networks in Ohio to accelerate or enhance the delivery of the seller's website to Ohio consumers. (3) Eliminates a presumption of substantial nexus for sellers that enter into "click-through" agreements with Ohio residents.

Executive

In House Finance

No provision.

Regarding the use tax collection by marketplace facilitators: (1) Requires persons that own, operate, or control a physical or electronic marketplace through which retail sales are facilitated on behalf of other sellers (i.e., "marketplace facilitators") to register as a seller and collect and remit the use tax due on all transactions facilitated through that marketplace. (2) Specifies that a marketplace facilitator is presumed to have substantial nexus with Ohio if (a) the gross receipts derived from sales made or facilitated into Ohio by the marketplace facilitator exceed \$100,000 during the current or preceding calendar year, or (b) if the marketplace facilitator makes or facilitates 200 or more sales into Ohio during the current or preceding calendar year. (3) Prohibits class action lawsuits against a marketplace facilitator related to an overpayment of use tax.

No provision.

Changes the phrasing of three nexus-related references in R.C. 5743.62 involving sellers of tobacco products from "nexus in this state" to "substantial nexus with this state" in order to obtain consistency with R.C. 5741.01.

Fiscal effect: Increases GRF revenue from the sales and use tax by \$15 million in FY 2020 and \$20 million in FY 2021. Revenue gains may be higher depending on remote sellers' behavior. Increases revenue from permissive county and transit authorities taxes by \$3.7 million in FY 2020 and \$4.9 million in FY 2021. Revenue gains may be higher depending on the behavioral response of remote sellers.

Executive

In House Finance

Commercial Activity Tax

TAXCD37 CAT administrative earmark

No provision.

R.C. 5751.02

Reduces the percentage of commercial activity tax (CAT) revenue to be credited to the Revenue Enhancement Fund (Fund 2280) from the current 0.75% to 0.65% effective July 1, 2019.

Fiscal effect: Reduces revenue to Fund 2280, which helps defray departmental costs of administering the CAT and other taxes, by about \$2.1 million in FY 2020 and \$2.2 million in FY 2021. Has the effect of increasing GRF revenue by corresponding amounts.

TAXCD33 CAT: historic rehabilitation credit

No provision.

Section: 757.40

Extends, to July 1, 2021, a temporary provision authorizing owners of a historic rehabilitation tax credit certificate to claim the credit against the commercial activity tax (CAT) in addition to against the income tax, financial institutions tax, or the insurance company franchise taxes as authorized under continuing codified law. (A similar biennial authorization provision has been in effect since July 2013 and the current biennium's authorization is scheduled to expire after June 30, 2019.)

Fiscal effect: Will reduce CAT revenues by an unknown amount in FY 2020 and FY 2021.

Executive

In House Finance

Cigarette Taxes

TAXCD27 Legal age for a person to receive or purchase cigarettes

R.C. 2927.02, 2927.022

Increases from 18 to 21 the legal age for a person to receive or purchase cigarettes, other tobacco products, alternative nicotine products, or papers used to roll cigarettes.

Defines and includes vapor products within the definition of "alternative nicotine product."

Requires clear and visible posting of signage indicating the legal age at locations where cigarettes, tobacco, and alternative nicotine products are sold.

Fiscal effect: The Executive estimates a GRF revenue loss of \$2.7 million in FY 2020 and \$4.0 million in FY 2021 under the sales and use tax from this provision, and GRF losses of \$14.3 million in FY 2020 and \$18.7 million in FY 2021 from cigarette tax effects. The provision may also increase the costs of local law enforcement agencies if it results in more violation cases.

R.C. 2927.02, 2927.022

Same as the Executive, but changes the term "electronic cigarette" to "electronic smoking device" and modifies its definition for purposes of age restrictions on the purchase of tobacco products.

Same as the Executive, but modifies the definition of "tobacco product" to include any component or accessory used in the consumption of a tobacco product.

Same as the Executive.

Fiscal effect: Same as the Executive.

Financial Institution Tax

TAXCD39 Financial institutions tax - limit on tax base

No provision.

R.C. 5726.04, Section 757.110

Limits the tax base upon which the financial institutions tax (FIT) is computed, such that equity capital in excess of 14% of an institution's total assets would not be included in the FIT base.

Fiscal effect: Loss of GRF revenue in FY 2021 up to \$10 million. Potential loss of GRF revenue in FY 2020 of uncertain magnitude.

Executive

In House Finance

Property Taxes and Transfer Fees

TAXCD40 **Partial property tax reduction for child care centers**

No provision.

R.C. 319.302, 323.155, 323.16; Section 757.100

Authorizes a partial real property tax exemption for child care centers that serve children from households that receive public assistance. Provides that the exemption equals 50% of the taxes due on the property if at least 25%, but less than 50%, of the children that attend the center reside in households that receive public assistance. Provides that if more than 50% of the children that attend the center reside in such households, the exemption equals 75%. Limits eligibility for the exemption to centers that 1) are licensed by ODJFS, 2) are not the administrator's main residence, and 3) are not used for any other commercial purpose. (Local taxing authorities are not reimbursed for the effect of the exemption on their tax revenues.)

Fiscal effect: An increase in property tax exemptions would decrease revenues to schools and other units of local government, and would increase taxes of other property owners for levies designed to raise fixed sums of money.

TAXCD51 **Property tax homestead exemption**

No provision.

R.C. 323.151, Section 757.150

Modifies eligibility for the homestead exemption by requiring deducted business income to be included in the income eligibility calculation. Applies property tax changes beginning in tax year 2019 (tax year 2020 for manufactured homes).

Executive

In House Finance

Fiscal effect: Would reduce GRF reimbursements to local governments by an estimated \$5.1 million per year initially. GRF savings would rise in subsequent years. The state reimburses local governments from the GRF for revenue losses resulting from the homestead exemption.

TAXCD34 Property tax exemption for fraternal and veterans organizations

No provision.

R.C. 5709.17, Section 757.90

Modifies an existing tax exemption for property held or occupied by a fraternal organization by excluding rent received from other fraternal organizations in determining whether or not property qualifies for the exemption. (Under continuing law, property that generates more than \$36,000 in rental income in a year does not qualify for the exemption.)

No provision.

Similarly modifies an existing tax exemption for property held or occupied by certain veterans' organizations by excluding rent received from other veterans' organizations in determining whether or not the rental income produced by the property exceeds a similar \$36,000-per-year limit.

Fiscal effect: Easing the constraint on qualifying for property tax exemption would likely allow additional organizations to qualify. An increase in property tax exemptions would decrease revenues to schools and other units of local government, and would increase taxes of other property owners for levies designed to raise fixed sums of money.

Executive

In House Finance

TAXCD25 Tax increment financing term extension

R.C. 5709.40, 5709.41, 5709.73, 5709.78, and Section 757.20

Authorizes municipalities, townships, and counties, under certain conditions, to extend the term of a tax increment financing (TIF) property tax exemption by up to 30 additional years. Provides that, to be eligible for such an extension, the TIF (1) must generate \$1.5 million in service payments in the immediately preceding year, (2) must not generate more than \$1.5 million in any other preceding year (this requirement only applies after 2020), and (3) the property owner must compensate the school district fully for its property tax losses. (Current law limits the term of TIF tax exemptions to 30 years. TIFs exempt tax revenue on a specified percentage, up to 100%, of the increase in real property value, and redirects service payments equal in amount to taxes that would otherwise be due into a special fund used to pay for new infrastructure.)

Fiscal effect: Some units of local government may incur ongoing tax revenue losses, relative to revenues from the increase in property value if the TIF was not in effect.

R.C. 5709.40, 5709.41, 5709.73, 5709.78, and Section 757.20

Same as the Executive.

Fiscal effect: Same as the Executive.

Executive

In House Finance

TAXCD41 Community school property tax exemption procedures

No provision.

R.C. 5713.08, 5715.27

Removes existing law requirement that a community school file an annual exemption application for its property with the Tax Commissioner as a condition of receiving the exemption. Requires instead that a community school file an exemption application for only the first year for which the exemption is sought and thereafter the school need only file an annual statement attesting that its property continues to qualify for exemption. (Community school property used for an educational purpose qualifies for a property tax exemption. Currently, property owners, including community schools, are generally required to file an annual application with the Tax Commissioner or a county auditor to obtain an exemption).

Fiscal effect: None.

Executive

In House Finance

Other Taxation Provisions

TAXCD23 **State administration of municipal income taxes**

R.C. 718.83, 321.24 and 5745.05

Requires a municipal corporation to remit payment to the Treasurer of State if the net distribution amount for a municipal corporation's state-administered municipal income tax accounts is less than zero in any month. (Continuing law allows businesses to elect to have the Department of Taxation administer the business' municipal income taxes beginning in 2018. The Commissioner is required to distribute municipal income tax revenue on a monthly basis, after deducting 0.5% of such revenue to cover the Department's administrative expense. A municipal corporation's net distribution amount might be less than zero if audit adjustments and refunds exceed collections in a given month.)

Requires that the payment be remitted within thirty days of receiving notice of the deficiency. Allows the Commissioner to recover unpaid amounts by reducing a delinquent municipal corporation's municipal income tax distributions, electric light and telephone company income tax distributions, and property tax distributions.

Requires the Director of Budget and Management to transfer money from the GRF to the Municipal Income Tax Fund in the event that the balance of the Municipal Income Tax Fund is not sufficient to cover the required monthly distributions of municipal income tax revenue. Requires, in the event of such a transfer, for the Director and the Commissioner to develop a plan to repay the GRF as soon as practical.

R.C. 718.83, 321.24 and 5745.05

Same as the Executive.

Same as the Executive.

No provision.

Executive

In House Finance

Fiscal effect: Will facilitate administration of the state-administered municipal income tax.

Fiscal effect: Same as the Executive.

TAXCD22 Municipal Net Profit Tax Fund

R.C. 718.85, 718.83 and 718.90; Section 701.20

Creates a separate Municipal Net Profit Tax Fund to receive revenue from the state-administered municipal tax on business income, and from which to distribute this revenue to the municipal corporations to which it is owed. (Under current law, the revenue from that tax is deposited into the Municipal Income Tax Fund, Fund 7095, which also receives revenue from the state-administered municipal income tax on electric and telephone companies.) Requires the Director of Budget and Management to transfer all money balances in Fund 7095 that were collected from the state-administered municipal tax on business income into the new fund.

No provision.

Fiscal effect: None.

R.C. 718.85, 718.83 and 718.90; Section 701.20

Same as the Executive.

Specifies that Fund 5VR0 appropriation item 110902, Municipal Net Profit Tax, be used to make payments to municipal corporations of the net profits tax administered on their behalf by the Department of Taxation.

Fiscal effect: The House budget creates a new Municipal Net Profit Tax Fund (Fund 5VR0) line item, Municipal Net Profit Tax, with an appropriation of \$30 million in FY 2020 and \$35 million in FY 2021 and reduces the appropriation to Fund 7095 line item 110995, Municipal Income Tax, by these same amounts (see RDFCD3).

Executive

In House Finance

TAXCD36 **Local sales and use tax rate increments**

No provision.

R.C. 5739.021, 5739.023, 5739.026

Allows a county or transit authority to levy a sales and use tax in increments of 0.05%. (Under current law local sales and use taxes must be levied in increments of 0.1% or 0.25%)

Fiscal effect: None.

TAXCD45 **Extension of county agricultural society lodging tax**

No provision.

R.C. 5739.09

Allows for the extension of an existing county lodging tax, from the current five year limit to 15 years, that is levied by a county that hosts, or that has an independent agricultural society that hosts, an annual harness horse race with at least 40,000 one-day attendees (i.e., Delaware County). Provides that an extension must be approved by resolution of the board of county commissioners, would not be subject to voter approval, but would be subject to referendum. (A resolution levying the tax for the first time would continue to be subject to voter approval. Under continuing law, the maximum rate of the additional lodging tax is 3%. The proceeds of the tax are used to pay for the construction, maintenance, and operation of permanent improvements at sites where an agricultural society conducts fairs or exhibits.)

Fiscal effect: Would allow for continuation of the current additional 3% tax for another ten years. In calendar year 2016 (latest available), the tax raised \$657,205.

Executive

In House Finance

TAXCD30

Federal partnership level audits

No provision.

R.C. 5747.10, Section 757.70

Prescribes procedures for the reporting and payment of a partnership's partners' Ohio income tax liability arising from a federal partnership level audit.

Applies to changes in liability arising from federal adjustments with a final determination date of October 1, 2019, or thereafter.

Fiscal effect: May result in an increase in personal income tax revenues.

TAXCD28

Business Incentive Tax Credits

Section: 757.30

Provides a table that lists an estimate of the specified business incentive credits that may be authorized in each fiscal year of the FY 2020-FY 2021 biennium, an estimate of the credits expected to be claimed in each fiscal year, and an estimate of the amount of credits authorized that will remain outstanding at the end of the FY 2020-FY 2021 biennium.

Specifies that in totality, the table provides an estimate of the state revenue forgone due to business incentive credits in the FY 2020-FY 2021 biennium and future biennia.

Section: 757.30

Same as the Executive.

Same as the Executive.

TAXCD18 Travel expenses for the Streamlined Sales Tax Project

Section: 409.20

Specifies that the Tax Commissioner may disburse funds, if available, for the purposes of paying travel expenses incurred by members of Ohio's delegation to the Streamlined Sales Tax Project, as appointed under section 5740.02 of the Revised Code, from appropriation item 110607, Local Tax Administration. Requires that any travel expense reimbursement paid for by the Department of Taxation is to be done in accordance with applicable state laws and guidelines.

Section: 409.20

Same as the Executive.

TAXCD19 Tobacco Settlement Enforcement

Section: 409.20

Specifies that appropriation item 110404, Tobacco Settlement Enforcement, is to be used by the Tax Commissioner to pay costs incurred in the enforcement of divisions (F) and (G) of section 5743.03 of the Revised Code.

Section: 409.20

Same as the Executive.

Executive

In House Finance

TAXCD20

Property tax administration

Section: 409.20

Specifies that in FY 2020 and FY 2021, (1) the Tax Commissioner is not to compute or certify the amounts calculated under divisions (A) and (B) of section 321.24 of the Revised Code as amended by H.B. 166, (2) the Director of Budget and Management is not to transfer any amounts from the GRF to the Property Tax Administration Fund (Fund 5V80), and (3) the Tax Commissioner is not to subtract any amounts computed under section 5703.80 of the Revised Code from the payments made from the GRF to county treasurers under division (F) of section 321.24 of the Revised Code.

Fiscal effect: Uses balances in Fund 5V80 to pay the Department of Taxation's costs to administer property taxes in the upcoming biennium. Reimburses local governments in full, rather than net of administrative charges, for tax revenues that would otherwise be lost because of the 10% and 2.5% rollbacks and homestead exemption. This provision continues a change in procedure begun for FY 2018 and FY 2019 by Section 757.30 of H.B. 26 of the 132nd G.A., the transportation budget.

AUDCD3 Local Government Audit Support Fund

R.C. 5747.461, 131.511

No provision.

Creates the Local Government Audit Support Fund (Fund 5VP0) to be used by the Auditor of State to offset the costs of audits of local public offices.

No provision.

Requires the Director of Budget and Management to credit monthly a portion of total tax revenue credited to the General Revenue Fund equal to 1/12 of the annual fiscal appropriation from the Local Government Audit Support Fund.

No provision.

Requires the Director of Budget and Management to develop a schedule identifying the specific tax revenue sources to be used to make the monthly transfers and allows the Director to revise the schedule as necessary.

Fiscal effect: Establishing this fund diverts a portion of GRF revenues to the Local Government Audit Support Fund (Fund 5VP0), which will offset a portion of the audit costs charged to local governments.

DDDCD33 County Developmental Disabilities Medicaid Reserve Fund

No provision.

R.C. 5705.091

Allows county DD boards to request that the board of county commissioners establish a County Developmental Disabilities Medicaid Reserve Fund, which may be used for providing services to individuals with developmental disabilities, or to ensure the availability of adequate funds in the event a county property tax levy for developmental disabilities services fails.

Fiscal effect: Potential increase in revenues for county DD boards if they request the establishment of such a fund. Potential diversion of other county funds to this fund.

DDDCD1 Developmental disabilities facilities lease-rental bond payments

Section: 261.20

Requires ODODD to use GRF appropriation item 320415, Developmental Disabilities Facilities Lease Rental Bond Payments, to meet all payments pursuant to leases and agreements made under state law regarding capital facilities. Specifies that the appropriations in that appropriation item are the source of funds pledged for bond service charges on obligations issued for certain capital facilities.

Municipal Income Tax

Section: 387.20

Specifies that appropriation item 110995, Municipal Income Tax, is to be used to make payments to municipal corporations under section 5745.05 of the Revised Code. Appropriates additional amounts if it is determined that additional amounts are necessary to make such payments.

Requires the Tax Commissioner, if the Municipal Income Tax Fund (Fund 7095) has insufficient cash to meet monthly distribution obligations under section 718.83 of the Revised Code, to certify to the Director of Budget and Management the amount of additional cash needed. Requires the Commissioner, in such a case, to submit a plan to the Director requesting the necessary cash be transferred from one or a combination of the following funds: the Municipal Tax Administrative Fund (Fund 5N50), the Local Sales Tax Administrative Fund (Fund 4350), the General School District Income Tax Administrative Fund (Fund 4380), the Motor Fuel Tax Administrative Fund (Fund 5V70), the Property Tax Administrative Fund (Fund 5V80), or the GRF. Requires the plan to include a proposed repayment schedule to reimburse those funds for any cash transferred. Permits the Director, after receiving the certification and funding plan from the Tax Commissioner and determining that sufficient cash is available, to transfer the cash to Fund 7095 in accordance with the plan submitted by the Commissioner or as otherwise determined by the Director, and subsequently permits the Director to transfer cash from Fund 7095 to reimburse the funds from which cash was transferred.
