---

**JFSCD20                    SharedWork Ohio covered employment****R.C.                    4141.50**

Limits the "normal weekly hours of work" considered for purposes of the SharedWork Ohio program to those hours of work in employment covered under Ohio's Unemployment Compensation Law.

Authorizes the provision of special needs child care up to age 18.

Specifies that a license issued to a child day-care center or family day-care home may be suspended without prior hearing if ODJFS determines that the owner or licensee does not meet criminal records check requirements, rather than if the owner, licensee, or administrator is charged with fraud as under current law and maintains all other existing grounds for suspending a license without prior hearing.

Requires ODJFS to issue a written order of summary suspension by certified mail or in person.

Authorizes a child day-care center or family day-care home whose license was suspended without prior hearing to request an adjudicatory hearing before ODJFS, rather than appeal the suspension to a county court of common pleas as under current law.

Requires the Director of ODJFS to request from BCII criminal records checks, run checks in the Uniform Statewide Automated Child Welfare Information System (SACWIS), and inspect the state registry of sex offenders (SORN) for all of the following prior to employment and every five years thereafter: child day-care center owners or licensees, family day-care home owners or licensees, approved child day camp owners, directors of preschool programs and school child programs providing publicly funded child care, in-home aides, and their applicants and employees.

Requires the Director of ODJFS, rather than a CDJFS as under current law, to request from BCII criminal records checks for in-home aides.

**Executive**

Eliminates the requirement that the Director of ODJFS establish hourly reimbursement ceilings for certified in-home aides who provide publicly funded child care.

Removes the requirement that ODJFS contract with a third party to conduct a market rate survey for use in establishing child care provider reimbursement ceilings and payments.

Eliminates from statute eligibility requirements for child care administrators and employees and instead requires the Director of ODJFS to establish in rule minimum qualifications for child care administrators and employees.

Exempts certain providers, including certified in-home aides and approved child day camps, from the requirement that, beginning July 1, 2020, publicly funded child care be provided only by a provider rated through the Step Up to Quality Program.

Specifies that the required percentages of early learning and development programs that provide publicly funded child care and are rated at the third highest tier or above in the Step Up to Quality Program do not apply to type B family day-care homes or other specified licensed child care programs, including those operating only during summer breaks or evening and weekend hours.

**Fiscal effect: ODJFS does not anticipate these changes will pose any costs. Eliminating the hourly ceiling will allow ODJFS to set the rates as necessary without a specific type of payment structure. ODJFS still plans to contract with a third party to conduct a market rate survey, but may use data it collects to determine rates.**
