Analysis of enacted budget

The budget abolishes the Joint Education Oversight Committee (JEOC) and terminates the employment of its staff, effective October 1, 2019. The budget provides JEOC with FY 2020 funding of \$100,000 from its single GRF appropriation item for operations until then. The budget provides for any unfinished JEOC administrative business as of October 1, 2019, to be completed by the Legislative Service Commission (LSC). LSC will also receive all JEOC records, documents, files, equipment, assets, and other materials.
