## OFFICE OF BUDGET AND MANAGEMENT

- Reduces the time by which the OBM Director must void any unredeemed income tax refund warrant from two years to 90 days, consistent with the time for voiding any other warrant drawn from the state treasury.
- Eliminates the OBM Director’s oversight regarding internal agency fund assessments and allocations for certain funds.
- Requires investment earnings of the Budget Stabilization Fund to be credited to the fund.

### Voided income tax refund warrants

(R.C. 126.37)

The act reduces the amount of time by which the OBM Director must void any unredeemed warrant that draws on the state treasury for income tax refunds from two years to 90 days after its issuance. This 90-day period is consistent with the time after which the OBM Director must void any other warrant drawn from the state treasury.

A warrant is an order to pay issued by one official to another (in this case, the OBM Director to the Treasurer of State) to give to a payee money from a specified account. Warrants are generally represented by checks or another instrument payable on the demand of the payee, which in this case is the income tax refund recipient.<sup>23</sup> A warrant that is not redeemed within a prescribed time period becomes aged or “stale” and may be voided by the official that issued the warrant.

### Oversight over fund allocations

(R.C. 121.08, 121.084, 169.05, 901.91, 1121.30, 1181.06, 1321.21, 1707.37, 1733.321, 3701.831, 3737.71, 3745.014, 4735.211, and 4763.15)

The act eliminates the OBM Director’s oversight regarding internal agency fund assessments and allocations. In most cases, the funds modified by the act are assessed an amount to be used by the affected agency for administration purposes. The act permits the affected agency director or superintendent to determine the assessment amount without OBM Director approval. The funds and the entity administering the funds are listed in the table below.
