Prohibits a state contract for goods or services from including certain provisions that the state generally does not include in its contracts including (1) indemnification clauses, (2) binding arbitration, (3) mandatory venue clauses (other than Franklin County courts), (4) limited liability (to benefit the other party), (5) requiring legal representation other than the Attorney General, (6) automatic renewals obligating future state funds, (7) anything contrary to the Public Records Act, (8) limiting the state's recovery of cover cost for a replacement contractor, or (9) any term or condition unknown to the state at signing, that was not specifically negotiated with the state, that may be unilaterally changed by the other party, or that is electronically accepted by a state employee.

Specifies the above are ab initio (invalid from the outset), and the contract is otherwise enforceable and must be governed by and construed in accordance with Ohio law notwithstanding a term or condition to the contrary.

Specifies that all compromises made by the Office of Risk Management are to be paid from the Risk Management Reserve Fund and the conditions of such payment.

Fiscal effect: Liability claims against the state under the self-insurance program are paid from the Risk Management Reserve Fund (Fund 1300). Expansion of the state's self-insurance liability program will likely result in increased expenditures from Fund 1300. However, allowing additional claims to be paid from this reserve may ease budgetary complications an insured entity may suffer in the event of having to pay a large settlement from otherwise appropriated funds. May somewhat reduce the volume of cases before the Court of Claims, thereby reducing the workload of the Court to adjudicate such cases and the Attorney General to defend the state in those cases. The magnitude of any decrease will depend on the number of cases resolved through the Office of Risk Management.
