DOHCD8 Vapor products certificate of operation

R.C. 2927.025, 2927.026-2927.0210, conforming changes in 2927.02

Requires any person seeking to sell vapor products to obtain a certificate of registration prior to doing so.

Specifies the form of application for a certificate of registration.

Imposes an initial \$100 application fee and a \$500 annual fee for a certificate of registration.

Imposes a maximum fine of \$1,000, or \$100 if the violation is within 90 days of a certificate's expiration, for the sale, offer to sell, or possession with intent to sell without a certificate of registration.

Specifies all fees and fines collected in relation to the vapor product certificate of registration program are to be deposited in the Tobacco Use Prevention Fund (Fund 5BX0) and to be used for administration of the certificate program or for tobacco and nicotine prevention or cessation interventions.

(3) No provision.

R.C. 3701.501

Revises the law governing the screening of newborns for genetic, endocrine, and metabolic disorders, as follows:

(1) Requires newborns to be screened for X-linked adrenoleukodystrophy and spinal muscular atrophy, with the screenings to begin 240 days after the bill's effective date;

(2) Requires the state's Newborn Screening Advisory Council (NSAC) to consider whether a disorder has been added to the federal Recommended Uniform Screening Panel;

(3) Requires the NSAC, not later than six months after a disorder's inclusion on the federal panel, to determine whether or not to recommend that Ohio newborns be screened for the disorder and, if the NSAC recommends screening, requires it to submit its recommendation to the Director of Health as soon as

practicable;

(4) Requires the Director of Health, not later than six months after receiving the recommendation, to specify the disorder for screening in rule, with the screening to begin not later than one year after the date the rule becomes effective.

Fiscal effect: ODH may experience an increase in costs to: screen for these two conditions if the conditions are not part of the current panel; screen for other disorders depending on NSAC recommendations; and promulgate rules. However, if the newborn screening fee is increased as a result of any additions to the panel, ODH could experience a gain in fee revenue.

DOHCDS Home visiting services

R.C. 3701.61, 3701.613, conforming changes in 5167.16

Extends the maximum age that a child's family is eligible for home visiting services through the Help Me Grow Program from three years old to five years old.

R.C. 3701.61, 3701.613, conforming changes in 5167.16

Same as the Executive.

Changes the frequency of the summit on home visiting programs facilitated by the Ohio Department of Health (ODH) from twice a year to once every two years.

Same as the Executive.

Fiscal effect: ODH will experience an increase in costs due to expanded eligibility. However, GRF appropriation item 440459, Help Me Grow, is increased by approximately \$2.0 million over FY 2021 estimated expenditures, which will allow additional families to be served. Additionally, ODH may experience a savings due to the reduction in the frequency of the summit on home visiting programs.

No provision.

R.C. 3709.01, 3709.012, 3709.052, 3709.06, 3709.07

Requires each city with a population less than 50,000 served by a board of health of a city health district to complete a study evaluating the efficiency and effectiveness of merging with the general health district that includes the city for the administration of health affairs in the merged general health district (see DOHCD10 for related earmark).

No provision.

Requires the Director of Health, in consultation with the Auditor of State, to develop criteria to be used in determining whether a merger is advisable and requires the city to conduct its evaluation using the developed criteria.

No provision.

Requires the city's chief executive, if the study indicates that a merger is advisable, to enter into a contract with the district advisory council for the general health district that includes the city for the administration of health affairs in the merged general health district, unless the applicable district advisory council for the general health district delays the merger for good cause.

Fiscal effect: ODH and the Auditor of State may experience an increase in administrative costs. Costs to conduct the studies may be covered under a \$6.0 million earmark in FY 2022 from GRF appropriation item 440413, Local Health Departments. Any other impacts will depend on the study results.

DOHCD9 Combined health district property tax authority

R.C. 3709.291

Authorizes combined health districts to levy property tax, with voter approval, for operating expenses.

No provision.

Requires a hospital, including one operated by a health maintenance organization, to be licensed by ODH within three years of the bill's effective date, rather than registered as under current law.

Same as the Executive, but removes references to health maintenance organizations.

Specifies that any existing law reference to a hospital that is not contained within the bill is to be construed as a reference to a hospital licensed under the bill's licensure requirements.

Same as the Executive.

Executive

As Reported By House Finance

Specifies the following regarding a hospital's license:

(1) Specifies that the license is valid for its premises.

(2) That a hospital operating a medical campus or from multiple buildings must submit a single application for licensure.

Specifies that the Director of Health may at any time inspect a licensed hospital.

Specifies that a hospital may avoid an inspection by the Director of Health prior to receiving a license or prior to renewal if the hospital submits a copy of its most recent on-site survey report from an accrediting body.

Requires ODH to adopt rules establishing fees for initial applications, license renewals, license transfers, inspections conducted, as well as standards and procedures for imposing civil penalties.

Same as the Executive, but makes the following changes:

(1) Replaces the Executive provision with a provision that specifies that a hospital's license is valid only for the hospital identified in the licensure application and requires a hospital to identify its main hospital location and the other locations it operates in its application.

(2) No provision.

Same as the Executive, but specifies that the Director of Health may inspect a hospital to address an incident that may impact public health, respond to a complaint submitted to the director, or otherwise ensure the safety of hospital patients.

Same as the Executive, but specifies that on-site survey reports which may be submitted to avoid inspections by the Director of Health include reports from the federal Centers for Medicare and Medicaid Services or accrediting organizations approved under federal law.

Same as the Executive, but makes the following changes: (1) requires the Director of Health, when adopting rules establishing fee amounts, to limit the amounts to what is necessary to support the hospital licensure program, (2) provides that, in the case of inspection fees, the amounts must cover only the cost of inspections, (3) requires the Director of Health to adopt rules governing changes to a hospital's license, including address changes, as well as rules governing the eligibility of new hospitals for licensure, and (4) requires the Director of Health to collaborate with the hospital industry to maximize the rules' public health utility and to limit the administrative burden and

Authorizes the Director of Health to impose penalties on hospitals for violating the bill's provisions, including the following: (1) suspending, revoking, or refusing to issue or renew a license; (2) providing the license holder an opportunity to correct the violation; (3) providing the license holder with a plan to correct or mitigate the violation; (4) prohibiting the license holder from admitting new patients; (5) imposing a civil penalty; and (6) summarily suspending a license or a type of health care service.

Specifies that the Director of Health may take certain actions if a "real and present danger" exists at a hospital, including appointing a special master or engaging in on-site monitoring.

Prohibits a quality improvement organization, which is authorized by the bill to assist the Director of Health in providing technical assistance to a hospital, from being compensated by ODH.

Requires each licensed hospital to have a governing board which is required to be responsible for the following:

(1) Overseeing the appointment, reappointment, and assignment of privileges to medical staff; and

(2) Establishing protocols for the admission and treatment of patients.

treatment to patients.

Specifies that an ambulatory surgical facility does not include a hospital provider-based department that is otherwise licensed under the bill's provisions.

Fiscal effect: ODH will realize an increase in costs to promulgate rules and to implement and enforce a hospital licensure program. However, it is anticipated that the fee established in rule may eventually offset program costs. Government-owned hospitals could realize costs. The total costs will depend on the licensure process, including fee amounts, established in rule.

Requires home health agencies and non-agency providers of direct care, starting one year after the bill's effective date, to be licensed by ODH to provide skilled home health services and nonmedical home health services.

No provision.

Specifies licensure application and renewal procedures, reasons for discipline, criminal penalties, and rulemaking authority.

No provision.

Prescribes application and renewal fees of \$250 for both skilled and nonmedical home health services licenses.

No provision.

Requires that ODH's review of an application include a site visit to verify that Medicare conditions of participation are met if the applicant has not had such a site visit within the five-year period immediately preceding the date of the application.

Executive

As Reported By House Finance

Fiscal effect: ODH will experience an increase in costs to adopt rules, review applications, conduct potential site visits, and issue licenses. However, these costs may be at least partially offset by application fee revenue. Any government entities that provide home health services may experience an increase in costs to apply for licensure. Total costs may depend on if they already have certain accreditations.

DOHCD2 Renovation, Repair, and Painting Rule

R.C. 3742.11

Authorizes the Director of Health to enter into agreements with the U.S. Environmental Protection Agency for the administration and enforcement of the federal Renovation, Repair, and Painting Rule, which establishes requirements regarding lead-based paint hazards associated with renovation, repair, and painting activities.

Allows the Director to accept available assistance in support of the agreements.

Allows the Director to adopt rules to administer and enforce the federal Renovation, Repair, and Painting Rule, including specifying provisions governing the certification process and fees for certification.

Fiscal effect: ODH has budgeted \$650,000 in each fiscal year for costs associated with administration and enforcement; however, ODH anticipates that the program will eventually be self-sufficient.

DOHCD35 Long-Term Care Bed Buyback Program

Section: 291.50

Requires ODH, in consultation with the Department of Aging and the Department of Medicaid, to establish a Long-Term Care Bed Buyback Program during FY 2022 and FY 2023 under which nursing facility operators may voluntarily, permanently surrender for compensation one or more licensed long-term care beds due to a decrease in bed utilization if the bed is (1) located in a county with bed excess as calculated by ODH and (2) the county has sufficient beds remaining to address the bed need in the county as calculated by ODH after surrender.

No provision.

Requires ODH to solicit program applications, setting forth program requirements and the criteria that will be used to evaluate competing bed surrender proposals.

No provision.

Requires a nursing facility that has received payment for the surrender of long-term care beds under the program to provide notice with specified information to ODH.

No provision.

Requires DPF Fund L087 appropriation item 440680, Nursing Home Bed Reduction, to be used in FY 2022 to support the long-term care bed buyback program.

No provision.

Allows, on July 1, 2022, or as soon as possible thereafter, the Director of Health to certify to the Director of Budget and Management an amount up to the unexpended, unencumbered balance of DPF appropriation item, 440680, Nursing Home Bed Reduction, at the end of fiscal year 2022 to be reappropriated to FY 2023.

DASCD36 Transfer of employees from the Department of Health to the Department of Administrative Services

Section: 518.40

Transfers, subject to the layoff provisions of R.C. Sections 124.321 to 124.328, employees identified as necessary to the operation of a central warehouse from the Department of Health to the Department of Administrative Services on July 1, 2021, or as soon as can be effectuated.

Allows the DAS Director to establish, change, and abolish positions of the Department of Health and assign, reassign, classify, reclassify, transfer, reduce, promote, or demote all employees of the Department of Health who are not subject to Chapter 4117 of the Revised Code.

Specifies that the authority granted the DAS Director includes assigning or reassigning exempt employees, as defined in R.C. Section 124.152, to a bargaining unit classification.

Specifies that actions taken by the Health Director or DAS Director under the bill are not subject to appeal to the State Personnel Board of Review.

Allows the OBM Director, on or after July 1, 2021, and notwithstanding and law to the contrary, to make budget changes made necessary by the aforementioned changes, including canceling encumbrances of the Department of Health and reestablishing them as encumbrances of DAS. Appropriates any reestablished encumbrances.

Requires the DAS Director to place an employee in the E-1 pay range that is to be assigned, reassigned, etc. to a lower classification, in Step X and specifies that the employee will not receive any increase in compensation until the maximum rate of pay for that classification exceeds the employee's compensation.

LCOCD1 Vacating COVID-19 violations and refunding fines to businesses

Section: 701.60

No provision.

Vacates violations of orders addressing COVID-19 by applicable businesses that occurred between March 14, 2020, and the effective date of the section. Requires state agencies and boards of health to cease disciplinary actions in progress against businesses for violations that occurred between March 14, 2020, and the section's effective date.

No provision.

Within 30 days after the section's effective date: (1) Requires state agencies and boards of health to expunge any record of a vacated violation; (2) Requires LCO to notify businesses convicted for violations of certain COVID-related liquor control rules that the convictions have been expunged; (3) Requires state agencies and boards of health to treat as a nullity any finding of a violation that has been vacated and expunged and take steps to restore rights and privileges lost as a result of the finding, including reinstating licenses and other rights or privileges to do business; and (4) Requires the OBM Director, in consultation with any state agencies, as well as local boards of health, to determine the civil or administrative penalties paid by each business for each vacated violation and refund those amounts. Appropriates the amounts necessary to make the refunds of fines and penalties levied by state agencies.

No provision.

Requires that, if a business no longer exists, the OBM Director or a board of health make reasonable efforts to locate and issue a refund to the business owner.

No provision.

Requires LCO, within 30 days after taking the required actions, to submit a report to the General Assembly that all violations of specified rules have been expunged and all related fine money has been refunded.

No provision.

States that a business may bring an action in the common pleas court of the county where the business is located, notwithstanding other jurisdictional or venue limitations, to enforce the rights, privileges and obligations identified in this provision.

No provision.

States that these requirements cannot be construed as prohibiting an agency or a board of health from enforcing matters not relating to the specified COVID orders and rules.

Fiscal effect: The refunds to liquor permit holders would be paid from the GRF, where these penalties are deposited. As of early February 2021, LCO had collected approximately \$100,000 in such penalties. It does not appear that the Department of Health or any local boards of health have issued any fines related to these violations.
