Same as the Executive.

(1) The child has been in a stable home environment for the past 12 consecutive months.

JFSCD34 Determination of unemployment benefit rights

R.C. 4141.01

Eliminates from consideration, during the first phase of application for unemployment compensation, whether the claimant is disqualified for reasons relating to why the claimant is unemployed, and delays this change until July 1, 2022. JFSCD40 Voluntary participation agreements

R.C. 5101.1412, 2151.451-2151.453

Rewords the mandate for ODJFS or its representative to seek judicial determination regarding an emancipated young adult’s (EYA's) best interest to “petition the court for and obtain a judicial determination,” rather than “seek approval from the court.”

R.C. 5101.1412, 2151.451-2151.453

Same as the Executive.

Explicitly associates petitioning and obtaining that determination with maintaining the EYA's Title IV-E eligibility.

Same as the Executive.

Changes the annual court determination requirement regarding reasonable efforts to finalize a permanency plan for EYA independence to remove the focus on a permanency plan that addresses only ODJFS’ or its representative’s efforts to prepare the EYA for independence.

Same as the Executive.

Eliminates the remedy that an EYA loses eligibility for continued care and placement with ODJFS or its representative under a voluntary participation agreement (VPA) if a court determines 180 days after the VPA becomes effective that the placement does not serve the person's best interest.

Same as the Executive.

Requires federal payments for foster care be suspended if the best interest and reasonable efforts determinations are not timely made.

Same as the Executive.

Revises elements of the permanency plan determination that a court must make, as follows:

Same as the Executive.

(1) 12 months after the VPA's effective date (instead of 12 months after the date it is signed as current law states).

(1) Same as the Executive.

(2) At least once every 12 months after the first determination, rather than simply “annually.”

(2) Same as the Executive.

Executive

As Reported By House Finance

(3) Characterizes the determination as concerning that ODJFS or its representative made reasonable efforts (instead of the passive "whether reasonable efforts have been made" as current law states) to finalize a permanency plan to prepare the EYA for independence.

(3) Same as the Executive.

Expands the juvenile courts that may exercise jurisdiction over an EYA receiving federal foster care payments to include the court of the county the EYA resided in when the EYA's custody, planned permanent living arrangement, or care and placement terminated (current law only gives jurisdiction to the juvenile court of the county the EYA resides in).

Same as the Executive.

Fiscal effect: Requires federal payments for foster care be suspended if the best interest and reasonable efforts determinations are not timely made. These changes will allow an EYA to continue to receive funds in cases where the best interest ruling is not received in a timely manner. Currently, if the ruling is not received in time, the EYA is removed from the program and loses title-IV eligibility. This change would allow the EYA to remain in the program and receive support through GRF.

(3) Same as the Executive.

(4) Requires the ODJFS Director to adopt rules by July 1, 2022, under R.C. Chapter 119, to implement the recodified PASSS. The rules must establish the application process for the PASSS payments; standards for determining the children who qualify to receive PASSS payments; the method of determining the amount, duration, and scope of services provided to a child; the method of transitioning the PASSS program from PCSAs to ODJFS; and any other rule, requirement, or procedure JFS considers appropriate for the implementation of this section.

(4) Same as the Executive.
