BORCD70 Educator preparation programs and computer science

R.C. 3333.049

Requires each educator preparation program to require each candidate for an educator license who enters the program in the 2022-2023 academic year and after to receive instruction in computer science and computational thinking, as applied to student learning and classroom instruction and as appropriate for the grade level and subject area for the candidate's prospective educator license.

Fiscal effect: State institutions of higher education may incur some cost to develop and implement this area of instruction in their educator preparation programs to the extent that this instruction is not already offered.

No provision.

No provision.

R.C. 3333.051, (conforming changes in R.C. 3354.01, 3357.09, and 3358.01)

Requires the Chancellor to approve any nursing bachelor's degree program proposed by a community, state community, and technical college (community college), if those programs meet certain requirements under continuing law and the standards and procedures for academic program approval under continuing law.

Executive	As Passed By House	As Reported By Senate Finance
No provision.	No provision.	Requires the community college, upon approval of the Chancellor, to establish an accredited nursing bachelor's degree program. Fiscal effect: A community college wishing to operate a nursing bachelor's degree program will incur costs in creating one. However, any costs may be offset, at least in part, from revenue received from tuition and State Share of Instruction (SSI) subsidy payments from DHE for course and degree completions.
BORCD72 Commercial Truck Driver Student Aid Program		
No provision.	R.C. 3333.125, (conforming changes in R.C. 3333.38 and 3345.32) Establishes the Commercial Truck Driver Student Aid Program, under which the Chancellor must provide a combination of a grant and loan to eligible students enrolled in a certified commercial driver's license program at a certified commercial driver's license school.	No provision.
No provision.	Requires the Chancellor to adopt rules for the program, including rules for loan terms and conditions, certification requirements for schools, and any additional eligibility criteria the Chancellor determines is needed for participating individuals.	No provision.
No provision.	Qualifies a student for an award if the student: (1) is an Ohio resident; (2) is enrolled in a certified commercial driver's license school; (3) passes a drug test; (4) has three or fewer moving violations in two consecutive years; (5) has not pled guilty to or been convicted of operating a motor vehicle under the influence of alcohol or drugs; and (6) meets other criteria established by the Chancellor. No provision.	Disqualifies a student if the student has three moving violations in two consecutive years or pleads guilty or is convicted of operating a motor vehicle under the influence while enrolled in the program.	No provision.
No provision.	Requires a student who receives an award to commit to residing and being employed in Ohio as a truck driver for a minimum of one year upon completion of a certified commercial driver's license program.	No provision.
No provision.	Specifies that (1) a student's grant amount is one half of the student's remaining state cost of attendance after the student's federal Pell grant and expected family contribution (EFC) are applied to the student's instructional and general charges for the certified commercial driver's license school, and (2) a student's loan amount is the other half.	No provision.
No provision.	Specifies that the amount of a grant and loan awarded to a student is in addition to any amount the student receives under the Ohio College Opportunity Grant (OCOG) program. Requires the Chancellor to decrease the amount of the loan by the amount of OCOG received by the eligible student.	No provision.
No provision.	Requires each student who accepts a grant to sign a promissory note payable to the state in the event that the student either fails to complete the certified commercial driver's license program or fails to meet the one-year residency and employment requirement. Specifies that the amount payable under the note is the amount of the grant plus any interest accrued annually beginning either one calendar year after the student completes a program or immediately after a student disenrolls from, or does not complete, a program. Requires all students, rather than at least half the students, receiving a COF scholarship to be involved in work-based learning through a co-op, internship, experience in a university, college, or private laboratory, or other work-based learning experience.

Authorizes state universities or colleges or nonpublic four-year institutions of higher education to appeal to the Chancellor for a waiver of this work-based learning requirement in cases where exceptional circumstances make placement of all students impractical or significantly unachievable.

Requires the Chancellor to "endeavor to provide," rather than guarantee, that students from all regions of the state are able to participate in COF. BORCD50 Ohio Technical Centers Funding Formula

Section: 381.100

Requires each Ohio Technical Center (OTC) to report data to the Chancellor. Requires the Chancellor to provide coordination for OTCs through approval processes, data collection of program and student outcomes, and subsidy disbursements. Requires the Chancellor to exclude non-residents in the number of students eligible for state subsidy. Defines full-time equivalent (FTE) as completion of 450 hours. Requires the use of a three-year average in calculating the number of FTE students. Requires OTCs to operate with, or be an active candidate for, accreditation by an accreditor authorized by the U.S. Department of Education in order to continue to receive state subsidy.

Distributes the OTC allocation as follows:

(1) 25% based on each OTCs proportion of FTE students who complete a post-secondary technical workforce training program with a grade of C or better or pass if graded as pass/fail.

(2) 20% based on each OTCs proportion of FTE students who complete 50% of a program of study.

(3) 50% based on each OTCs proportion of FTE students who find employment, enter military service, or enroll in additional post-secondary education and training.

(4) 5% based on each OTCs proportion of FTE students who earn a credential from an industry recognized third party.

BORCD21 SSI - Calculation of SSI Formula Entitlements and Adjustments for Universities-Degree Attainment

Section: 381.140

Reserves 50% of the amount earmarked for universities in each fiscal year from GRF line item 235501, State Share of Instruction, to support associate, baccalaureate, masters, and professional level degree attainment. Specifies that degree attainment funding be allocated to universities in proportion to each campus's share of the total statewide degrees granted, weighted by the cost of the degree programs.

Requires, for degrees including credits earned at multiple institutions, that degree attainment funding be allocated to universities in proportion to each campus's share of the student-specific cost of earned credits for the degree. Specifies that each institution receive its prorated share of degree funding for credits earned at that institution and that the cost of credits not earned at a university main or regional campus be credited to the degree-granting institution for the first degree earned by a student at each degree level. Specifies that the cost credited to the degree-granting institution not be eligible for at-risk weights and limits the cost credited to 12.5% of the student-specific degree costs, unless the student transferred 12 or fewer credits into the degree granting institution.

Requires that the count for degree attainment include degrees earned by students identified as Ohio residents in any term, weighted by a factor of 1, and degrees earned by students identified as out-of-state students during all terms that remain in Ohio at least one year after graduation, weighted by a factor of 50%. Requires, in calculating campus' degree counts, the Chancellor to use the three-year average associate, baccalaureate, master's, and professional degrees awarded for the most recent three-year period agreed to by the Inter-University Council (IUC) and the Chancellor. Limits, if a student is awarded an associate degree and later is awarded a baccalaureate degree, the amount funded for the baccalaureate degree to either (1) the difference in cost between the cost of the baccalaureate degree and the cost of the previous associate degree, or, (2) if the associate degree has a higher cost than the baccalaureate degree, the cost of the credits earned by the student after the associate degree was awarded. Specifies that in these instances the associate degree granting institution receive only the prorated share of the baccalaureate degree funding for the credits earned at that institution after the associate degree is awarded. Requires, if a student earns more than one degree at the same institution at the same degree level in the same fiscal year, that funding for the highest cost degree be prorated among institutions based on where the credits were earned and additional degrees be funded at 25% of the degree cost.

Requires that the doctoral set-aside be allocated to universities as follows:

(1) 25% in each fiscal year in proportion to each campus's share of doctoral program course completions. Requires that course completion earnings be determined by multiplying the total curricular model amounts and graduate weights by the subsidy-eligible doctoral FTEs who successfully complete courses in graduate-level models for the most recent completed three-year period agreed to by IUC and the Chancellor.

(2) 50% in each fiscal year in proportion to each campus's share of statewide doctoral degrees, weighted by the cost of the discipline. Requires, in counting campus' doctoral degrees, the Chancellor to use the three-year average doctoral degrees for the most recent completed three-year period that is agreed to by IUC and the Chancellor.
