in temporary custody.

Effective January 1, 2023, replaces the permissive authority with a mandate that the PCSA or PCPA include a permanency plan in the case plans for all children in temporary custody.

Requires the services under the permanency plan to be provided concurrently with the efforts at family reunification.

Requires the ODJFS Director to adopt case plan rules for the concurrent provision of services to achieve permanency for a child in temporary custody.

Fiscal effect: It appears that some concurrent planning is practiced by most PCSAs now. However, PCSAs' costs might increase depending on how current practices compare to rules adopted.

Expands the juvenile courts that may exercise jurisdiction over an EYA receiving federal foster care payments to include the court of the county the EYA resided in when the EYA's custody, planned permanent living arrangement, or care and placement terminated (current law only gives jurisdiction to the juvenile court of the county the EYA resides in). Earmarks up to 2% of GRF appropriation item 200408, Early Childhood Education, to be used by ODE for program support and technical assistance. Requires ODE to distribute the remainder to pay the costs of early childhood programs that serve eligible children, first to existing providers that received early childhood education funds in the previous fiscal year and the balance to new eligible providers or to existing providers to serve more eligible children or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

Requires ODE to distribute new or remaining funds to serve more eligible children where there is a need, as determined by ODE, and specifies that such funds be distributed based on community economic disadvantage, limited access to high quality preschool or childcare services, and demonstration of high quality preschool services as determined by ODE using new metrics developed pursuant to Ohio's Race to the Top-

Requires the Department of Job and Family Services (JFS) to report and remit state income tax withholding on unemployment compensation on a monthly basis instead of using the frequencies prescribed for employer withholding, which vary according to the overall amount of accumulated withholdings.
