General Services Fund Group: Indirect charge assessed to all of Ohio EPA's operating funds, including federal funds, based on the amount of object code 10 appropriation in each fund. The rate at which federal funds are assessed is negotiated with U.S. EPA.

The line item is used to support all of the agency's operating divisions. For FY 2006, the Director of Budget and Management is authorized to transfer $1,000,000 from this fund to the new Environmental Protection Fund (Fund 5BC) for start-up capitalization.

General Services Fund Group: Proceeds from the sale of goods and services including: (1) moneys received pursuant to service agreements between programs or activities within the agency; (2) moneys received pursuant to service agreements between the agency and other state agencies; and (3) moneys received by the agency from the salvaging of equipment through the Department of Administrative Services' Investment Recovery Program

Moneys are credited to the fund pursuant to service agreements, and must be used to defray the costs of the agency's programs and activities. Funds derived from the salvage of the agency's equipment must be used to purchase new agency equipment or to reimburse U.S. EPA for the portion of the salvage amount due it because federal moneys were used to make the original equipment purchase.

**Purpose:** The storm water program is required under the Federal Water Quality Act of 1987. This program develops and implements the necessary point and nonpoint permitting procedures, policy/guidance framework, and compliance and enforcement procedures to address urban stormwater pollution.
Federal Special Revenue Fund Group: CFDA 66.505, Water Pollution Control - Research, Development and Demonstration

Discontinued line item (originally established by Controlling Board in September 1992)

Grant moneys were used to establish baseline conditions of the Maumee Area Of Concern (AOC) to document existing ecosystem impairment and future ecosystem improvement as a result of remedial efforts. The Maumee is one of four Ohio rivers designated as an AOC.

Federal Special Revenue Fund Group: CFDA 66.600, Environmental Protection Consolidated Grants - Program Support

Section 206.27 of Am. Sub. H.B. 66 of the 126th G.A. (originally established by Controlling Board in October 1992)

Moneys credited to this fund are used to protect Ohio's surface and ground water resources. Funding assists Ohio EPA in carrying out its mandated responsibilities to issue permits, bring dischargers into compliance, set water quality standards, monitor and assess the quality of Ohio's water, and develop programs for the control of water pollution from point and nonpoint sources.

Federal Special Revenue Fund Group: CFDA 12.113, State Memorandum of Agreement for the Reimbursement of Technical Services

Section 206.27 of Am. Sub. H.B. 66 of the 126th G.A. (originally established by Controlling Board in March 1994)

Funding is in the form of cost recovery grants from the Department of Defense (DOD) through a Defense/State Memorandum of Agreement. The grant is intended to fund oversight activities related to the investigation, cleanup, and reuse of DOD sites in Ohio, as well as to support public participation and education activities and to ensure compliance with applicable state laws and regulations.

**Legal Basis:** Discontinued line item (originally established by Controlling Board in August 1993)

**Purpose:** Moneys were used for the implementation of the Community Right-to-Know Act (ORC 3750). The U.S. Department of Transportation required that at least 75% of these funds be passed along to Local Emergency Planning Committees for plan development and training. The remainder could be used by the State Emergency Response Commission (SERC). These funds were matched at a 1:4 ratio by the state.

State Special Revenue Fund Group: Hazardous waste disposal and treatment fees; hazardous waste facility installation and operation permit fees; a portion of the tipping fee assessed to every ton of solid waste disposed of in the state

Discontinued line item (originally established by Am. Sub. H.B. 117 of the 121st G.A.)

Appropriations in this fund financed the activities of the Hazardous Waste Facility Board, which had exclusive responsibility for acting on permit applications for new hazardous waste facilities and applications for modifications of existing facilities.

Am. Sub. H.B. 95 of the 125th G.A. eliminated the Hazardous Waste Facility Board and transferred its duties to Ohio EPA.

For FY 2006, the Director of Budget and Management is authorized to transfer $6,000,000 from this fund to the new Environmental Protection Fund (Fund 5BC) for start-up capitalization.

Legislative Service Commission 282 Catalog of Budget Line Items
State Special Revenue Fund Group: Assessments against each nuclear electric utility in Ohio in an amount no greater than the appropriation specified in the applicable main operating appropriations act

ORC 4937.05 authorizes the Utility Radiological Safety Board to assess fees and deposit them into any nuclear safety fund for which appropriations are specified (Fund 644 under Ohio EPA originally established by Controlling Board in February 1990)

Ohio EPA is one of six member state agencies on the Utility Radiological Safety Board (USRB). The URSB supports various activities intended to ensure that nuclear power plants are operated safely and that contingency plans are prepared in the event of a nuclear accident. The Board annually assesses nuclear utilities a total amount that is no greater than each agency's appropriation authority (as outlined in the current main operating appropriations act).

Note: Each of the six member agency's nuclear safety funds originally received disbursements from the Public Utilities Commission's Utility Radiological Safety Fund, pursuant to Section 88 of Am. Sub. H.B. 111 of the 118th G.A. Am. Sub. H.B. 215 of the 122nd G.A. ended PUCO's involvement with the funding of this program and provided for the assessment procedures outlined above.

Source Special Revenue Fund Group: (1) A $300 registration fee (renewable triennially) for large generators (those who produce fifty or more pounds of infectious wastes during any one month); and (2) a $300 registration fee (renewable triennially) for each vehicle used to transport untreated infectious wastes

ORC 3734.021 (originally established by Sub. S.B. 243 of the 117th G.A.)

Fifty percent of the collected fees are shared with the local health boards where the generators and transporters are registered. The remaining portion is used by Ohio EPA to administer the state's infectious waste management program.
