This line item is also used for the state share of Medicaid home and community-based services that are provided in compliance with the Martin Settlement and the Sermak Settlement. The Martin Settlement stems from a law suit filed by the Ohio Legal Rights Service (OLRS) in 1989 that claimed undue segregation in institutions for individuals with DD and waiting lists for people in need of services. The Sermak Settlement stems from a 1980 class action law suit filed by OLRS alleging that individuals with DD were being discharged from state-operated institutions to nursing facilities that were not certified to provide for their care.

Prior to FY 2012, expenditures for such services were made from four separate GRF line items. Expenditures for home and community-based Medicaid services were made from line item 322416, Medicaid Waiver – State Match. Expenditures for services provided under the Martin Settlement were made from line item 322504, Martin Settlement. Expenditures for services provided under the Sermak Settlement were made from a small portion of line item 322413, Residential Support Services. These four line items are discontinued beginning in FY 2012.

Beginning in FY 2013, this line item is also used to pay the state share of Medicaid expenditures for services provided in private Intermediate Care Facilities for the Mentally Retarded (ICF/MR) as well as for home and community-based services provided under the Transitions DD waiver. Prior to FY 2013 expenditures for these services were made by the Ohio Department of Job and Family Services (ODJFS) from GRF line item 600525, Health Care/Medicaid. Appropriations from that line item were transferred to line item 322407, Medicaid State Match, by the OBM Director in accordance with Section 309.33.20 of H.B. 153 of the 129th G.A.
