Legal Basis: Established by Controlling Board on September 26, 2011

Purpose: This line item is used to provide federal funding for two programs. The Capital Access Program encourages state depository financial institutions to make loans to small businesses that are having difficulty obtaining business loans through conventional underwriting standards. The program encourages lending by establishing a loan "guarantee" reserve pool at participating lending institutions. The state, the lender, and the borrower each pay a small fee contribution into the pool. The other program, the Collateral Enhancement Program, provides lending institutions with cash collateral deposits to use as additional collateral for loans made to eligible for-profit small businesses.

Purpose: This line item will be used for the same purposes as funding previously appropriated to GRF appropriation items 195434, Industrial Training Grants, in prior fiscal years, for the Ohio Workforce Guarantee Program. Grants are provided under the program to companies as an incentive to undertake projects in Ohio that will result in new capital investments and the creation or retention of jobs. The grants provide financial support for training needed by expanding companies and by employers who need to retrain incumbent workers to remain competitive with U.S. and international competitors. The Business Development and Assistance Fund (Fund 5LK0) would be funded by the payment from JobsOhio, pending the transfer agreement.

Legal Basis: ORC 4928.61; Sections 261.10 and 261.30.10 of Am. Sub. H.B. 153 of the 129th G.A. (originally established by Sub. S.B. 3 of the 123rd G.A.)

Purpose: Moneys in this account support investments in advanced energy products, technologies, or services that support the reduction of energy consumption and the production of clean, renewable energy. Prior to FY 2013, these investments came in the form of grants. Because of the expiration of the rider on retail electric distribution rates in 2012, and the resulting decrease in expected revenues to the Advanced Energy Fund (Fund 5M50), moneys will be used in FY 2013, and presumably future fiscal years, as revolving loans to support these projects. Am. Sub. H.B. 487 of the 129th G.A. changed this item's name from Advanced Energy Programs to Advanced Energy Loan Programs.
