Legal Basis: Discontinued line item (originally established by Am. Sub. H.B. 215 of the 122nd G.A., the main operating appropriations act covering FY 1998 and FY 1999)

Purpose: This line item was used for operating expenses (payroll, purchased personal services, supplies and maintenance, equipment) incurred by the Administrative Division in delivering agency support services. Those services included, but were not limited to, fiscal and accounting, human resources, computer information systems, general office services (purchasing, inventory, records management, fleet management, and delivery), library maintenance, and county reimbursement collections and payments. Effective FY 2012, money for this is being allocated from other, mostly non-GRF, funds used by the Public Defender Commission.

Purpose: This line item is used for the purpose of funding the operating expenses (payroll, purchased personal services, supplies and maintenance, equipment) associated primarily with the Commission's State Legal Defense Services program series. The function of that program series is to provide legal representation and services in non-capital and capital cases to indigent adults, juveniles, and incarcerated individuals in state and federal courts when Ohio law, the Ohio Constitution, or the U.S. Constitution requires representation. Non-capital and capital cases are handled by the Commission's Legal Division and Death Penalty Division, respectively.

Legal Basis: Statutory authority for contractual arrangement resides in various ORC sections, including 120.04, 120.06, and 120.33; Section 363.10 of Am. Sub. H.B. 153 of the 129th G.A. (originally established by Controlling Board on December 17, 1990)

Purpose: This line item provides funding for the state's share of operating expenses incurred in the running of the Commission's Multi-County Branch Office Program, costs that include a mix of payroll, purchased personal services, supplies and maintenance, and equipment. The program, which began operation on January 1, 1991, provides indigent defense services as an alternative to traditional appointed counsel or county public defender offices to ten counties in south and southeastern Ohio: Adams, Athens, Brown, Fayette, Jackson, Meigs, Pickaway, Pike, Ross, and Washington. These ten participating counties have essentially each entered into a contract with the Commission under which the state provides indigent defense services in their respective counties. Branch offices are located in Athens, Ross, and Washington counties. In addition to employing state public defenders, the Commission contracts with private attorneys in all ten counties.

Each county's contribution to the program is deposited in the state treasury to the credit of Fund 4C70 (line item 019601, Multi-County: County Share). The funding split between the state and county shares is the same as it is for the Commission's much larger statewide County Reimbursement Program under which the state is responsible for up to 50% of a county's indigent defense costs.

(originally established by Am. Sub. H.B. 291 of the 115th G.A., the main operating appropriations act covering FY 1984 and FY 1985)

Purpose: This line item funds the state's share of the Trumbull County Branch Office's annual operating expenses. The branch office, which has been in operation since 1984, provides indigent criminal defense representation throughout the courts of Trumbull County. A contract is negotiated annually with Trumbull County that designates the duties of the branch office and determines the percentage of financial contribution paid by both parties to fund the office. The percentage paid by each mirrors the reimbursement rate applicable to all counties under either the assigned counsel or county public defender systems. Approximately 10% of the Trumbull County contract obligation is contributed by participating municipalities. Purpose: Pursuant to temporary law, this line item is used exclusively for the Commission's Pro Bono Training Program, under which it contracts with private and non-profit training companies to provide continuing legal education (CLE) certified seminars to attorneys who practice criminal indigent defense law. The Commission pays the seminar companies a fee for each attorney who attends a seminar under the program. The seminar companies presently charge \$125 per attorney for a regular one-day seminar and \$200 per attorney for the two-day Rule 20 seminars.

The Commission allows private attorneys to attend seminars at no cost to the attorney. In exchange for free attendance, each attorney must provide one pro bono (for free) case for every seminar attended. Pro bono cases must be provided within one year of the seminar date, and pro bono attorneys are limited to two seminars per year. Public defenders also are limited to two seminars per year.

Purpose: Since the start of FY 2006, this line item is being used to reimburse counties for up to 50% of their indigent defense expenditures on non-capital and capital cases. If the available appropriations are insufficient to reimburse 50% of the indigent defense expenditures for non-capital and capital cases, then the reimbursement percentage for each of the public defender offices and appointed counsel systems is reduced equally. Since FY 2010, a significantly larger portion of this state reimbursement has been covered by money appropriated from the Indigent Defense Support Fund (Fund 5DY0, line item 019618, Indigent Defense Support - County Share).
