Purpose: This line item is used to reimburse local governments other than school districts for losses incurred as a result of the 10% and 2.5% "rollback" reductions in real and manufactured home property taxes and as a result of the "homestead exemption" reductions in taxes. School district property tax losses due to these programs are reimbursed through line item 200901 in the Department of Education.

Am. Sub. H.B. 66 of the 126th G.A. changed the rollback program. For real property used in a business activity, as defined in the bill, the 10% rollback of real property taxes was eliminated beginning in tax year 2005. Under previous law, all real property tax bills were reduced by credits equal to 10% of taxes charged. Types of real property still eligible for the rollback include those used for farming; leasing property for farming; occupying, holding, or leasing property improved with one-, two-, or three-family dwellings; or holding vacant land that the county auditor determines will be used for these purposes. Owner-occupants of residential real property are eligible for an additional 2.5% tax reduction for those primary residences.

The homestead exemption is an exemption from real property taxation on the first \$25,000 of a home's market value for owner-occupants who are eligible who are (1) age 65 or older, or (2) permanently and totally disabled.

Legal Basis: ORC 5747.03(C); Section 403.10 of Am. Sub. 153 of the 129th G.A.

Purpose: This fund is used to reimburse the Department of Taxation for expenses incurred in administering school district income taxes. Money remaining in the fund after such use is returned to the fund from which collections are distributed to school districts. The number of school districts with income taxes has been growing, to 182 as of January 2012, and collections have increased.

Through FY 1993, this line item received 3% of total school district income tax collections. Am. Sub. H.B. 152 of the 120th G.A. reduced the percentage of collections that the line item receives to 2.5% in FY 1994 and 2% in FY 1995. Am. Sub. H.B. 117 of the 121st G.A. again reduced the percentages to 1.75% in FY 1996 and 1.5% in FY 1997 and thereafter. These changes were made because the Department was not spending all the administrative money.

The original law authorizing the school district income tax went into effect in November, 1981. H.B. 291 of the 115th G.A. repealed the authority of any school district to enact a new income tax after August 2, 1983. At that time, only six districts used an income tax. One was repealed effective in 1987. Am. Sub. S.B. 28 of the 118th G.A. reauthorized new enactments of voter-approved school district income taxes.

H.B. 831 of the 118th G.A. required the Registrar of Motor Vehicles in Ohio to apply for membership in the IRP. The highway use tax (axle-mile tax) and the various commercial vehicle registration taxes imposed under prior law were replaced with a system of registration fees based on gross vehicle weight and a three cents per gallon fuel use surcharge for vehicles subject to the IRP.
