Source: Dedicated Purpose Fund Group: License fees and other assessments collected by the state's professional and occupational licensing boards

Legal Basis: ORC 4761.02 and 4743.05; Section 385.10 of H.B. 49 of the 132nd G.A. (originally established by H.B. 152 of the 120th G.A.)

Purpose: H.B. 49 abolishes the Board and transfers its responsibilities pertaining to respiratory care to the Ohio State Medical Board and its responsibilities pertaining to home medical equipment to the Ohio State Board of Pharmacy on January 21, 2018. This line item supports general operating expenses, including payroll, supplies, and equipment, for the Ohio Respiratory Care Board until that time. The Board licenses and regulates the practice of respiratory care and home medical equipment in Ohio. The Board also sets standards of practice for respiratory care professions, investigates complaints, holds administrative hearings, determines appropriate disciplinary actions, and monitors continuing education compliance among licensees.
