Purpose: This line item reimburses health care providers for covered services to Medicaid recipients. The federal earnings on the payments that are made from this line item are deposited as revenue into the GRF. The majority of expenditures from this line item earn the regular Federal Medical Assistance Percentage (FMAP) reimbursement rate at approximately 63%; however, expenditures for the State Children's Health Insurance Program (SCHIP) and for covering the Medicaid expansion population through the federal Affordable Care Act (ACA) earn an enhanced federal participation rate.

Beginning in FY 2018, the expenditures for the ACA expansion population are supported by this line item but are also supplemented by Fund 5TNO appropriation item 651684, Medicaid Services-HIC Fee. The federal match for the ACA expansion population is 93% in CY 2019, and 90% in CY 2020 and thereafter. In addition, beginning in FY 2018, managed care performance payments are made out of line item 651525. Such payments were previously made out of Fund 5KW0 line item 651612, Managed Care Performance Payment.

The Families First Coronavirus Response Act (FFCRA) provides qualifying states a 6.2 percentage point increase in their federal reimbursement for certain Medicaid expenditures, from January 1, 2020, through the end of the calendar quarter in which the federal public health state of emergency due to COVID-19 is ended.
