### Detailed Fiscal Analysis

The bill establishes the 32-member Ohio Constitutional Modernization Commission to study the Ohio Constitution, to promote an exchange of experiences and suggestions respecting desired changes in the Constitution, to consider the problems pertaining to the amendment of the Constitution, and to make recommendations to the General Assembly for the amendment of the Constitution. Under the bill, the Commission is required to meet first on January 1, 2012 and to issue its first report to the General Assembly no later than January 1, 2013. Thereafter, it must report every two years, until July 1, 2021, at which time the Commission will cease to exist. Commission members serve without compensation but are to be reimbursed for actual and necessary expenses incurred while performing their duties. In addition, the bill authorizes the Commission to employ staff to support its work. The bill specifies that funds for the compensation and reimbursement of employees are to be paid from the state treasury out of funds appropriated for those purposes. However, the bill does not provide an appropriation for these expenditures.
