Purpose: Allows clients who are Medicaid eligible to receive community-based in-home services as an alternative to nursing home placement through a Medicaid Waiver program. All PASSPORT enrollees must meet the same physical impairment and financial eligibility tests as do Medicaid nursing home patients, but services cannot cost more than 60 percent of the cost of nursing home care over six months. Services available in PASSPORT include adult day care, case management, chore services, counseling, equipment to aid independent living, nursing, medical supplies, nutrition counseling, occupational therapy, personal care, physical therapy, respite for care givers, speech therapy, social work, and transportation.

Legal Basis: originally established by Am. Sub. H.B. 111 of the 118th G.A. (also known as the Options for Elders program)

Purpose: To provide community-based services to older Ohioans. The line item funded two pilot programs, one in a group of nine rural counties (based in Marietta) and one in an urban county (Franklin County), for elders who are not Medicaid eligible, regardless of their income levels. Options for Elders was designed to provide a single, extremely visible point of entry into the confusing array of benefits, services, and opportunities for older adults, their care giving families and friends, and other concerned community members. Under the program, clients may call for assistance or information. Those needing more in-depth services are referred to a case manager. Clients may pay for the services on a sliding fee scale, depending on income. Am. Sub. H.B. 298 of the 119th General Assembly began to phase out this pilot program. Options clients in Franklin County no longer require state funding. They are now funded through a local levy. The funding for FY 2000 and FY 2001 are for those original Options clients that are still receiving Options services at that rural pilot site.
