Legal Basis: Originally established by Am. Sub. H.B. 298 of the 119th G.A.

Purpose: Temporary language contained in all of the main appropriation acts since the 119th General Assembly requires the funds appropriated to this special purpose account "...be distributed directly to the Ohio Center for Law-Related Education for the purposes of providing continuing citizenship education activities to primary and secondary students and accessing additional public and private money for new programs." An analogous GRF special purpose account and related temporary language are part of the Supreme Court's budget (appropriation line item 010-401, Law-Related Education).

The Ohio Center for Law-Related Education is a non-profit, nonpartisan organization sponsored by the Supreme Court of Ohio, the Attorney General of Ohio, the Ohio State Bar Association, and the American Civil Liberties Union of Ohio Foundation. The center delivers a variety of law-related education services (programs and materials) to students and teachers of primary and secondary schools, and draws its financial support from a mix of public and private sources. Its major statewide efforts include the Ohio Mock Trial Program and the Ohio Government in Action Project.

Source: General Revenue Fund

Legal Basis: Originally established by Controlling Board on June 5, 1995

Purpose: These are subsidy moneys that assist various counties, municipal corporations, townships, and state-assisted or state-supported institutions of higher education in satisfying the 25 percent matching requirement for the drawdown of federal funds used to hire additional law enforcement officers under the Community Oriented Policing (COPS) program. Moneys for this purpose appeared in the Controlling Board's budget (GRF appropriation line item 911-422, Community Police Officers) and were then transferred over to the Attorney General, who actually controlled its distribution.

Am. Sub. H.B. 215 of the 122nd G.A. changed the name of this line item from Community Police Match to Community Police Match and Law Enforcement Assistance expanding the program to allow grants to local law enforcement for the improvement of technology and equipment, and provide support to the organized crime task force. No appropriations for fiscal years 2000 and 2001 were included in Am. Sub. H.B. 283 of the 123rd G.A. for this line item, as this program is being rolled into the Operating Expenses line item, 055-321.

Source: General Revenue Fund

Legal Basis: ORC 325.0(C)(4)(5) (originally established by Am. Sub. H.B. 408 of the 121st General Assembly)

Purpose: These moneys are used by the Attorney General to subsidize county payroll costs to county sheriffs. Am. Sub. H.B. 408 granted each sheriff, in addition to the annual compensation that he receives for performing the duties of sheriff prescribed by law, an additional amount equal to one-eighth of that annual compensation, for performing additional duties imposed by Am. Sub. S.B. 2 of the 121st General Assembly. The supplemental compensation is payable from the county treasury every two weeks if adequate funds have been appropriated for the purpose by the General Assembly.

The act requires the Attorney General to certify the adequacy of such funds to the fiscal officer of each county. Within 15 days after the end of each quarter, the fiscal officer of the county must then certify to the Attorney General the amount of the supplemental compensation paid and the related amount of employer compensation made to the Public Employees Retirement System. After determining the accuracy of the amount certified, the Attorney General is required to reimburse the county for the amount.

Legal Basis: ORC 325.111 (Originally established by Am. Sub. H.B. 408 of the 121st General Assembly)

Purpose: These moneys are used by the Attorney General to subsidize county payroll costs to county prosecutors in small counties who elect to engage in private practice. Am. Sub. H.B. 408 of the 121st General Assembly gives the prosecuting attorney of a county with a population of 70,000 or less the same opportunity to elect not to engage in private practice that the prosecuting attorney in a larger county has, and to be paid accordingly. The salary and the amount for expenses that a prosecuting attorney who elects not to engage in private practice receives are substantially greater than the salary and amount for expenses that a prosecuting attorney who elects to engage in private practice.

The act also requires that 40 percent of the difference in compensation between a prosecuting attorney who elects to engage in the private practice of law and one who elects not to do so is to be paid as additional compensation from the state treasury. The Attorney General pays this additional compensation monthly from appropriations made to this account.
