Source: General Services Fund Group: fee revenue received by 20 of the occupational licensing boards

Legal Basis: originally established by Am. Sub. H.B. 152 of the 120th G.A.

Purpose: Funds were used for general operating expenses, including payroll, supplies, and new equipment. The individual board's appropriation may be greater or lesser than their amount of fee revenue for the fiscal year, but the goal is for each board to be self-supporting over the course of a biennium.

Under Am. Sub. H.B. 215 of the 122nd G.A., the State Medical Board left Fund 4K9 in FY 1999. Beginning in FY 1999, appropriation authority for the Board was moved to GSF Fund 5C6 883-609, Operating Expenses.
